#### **PROTECT YOURSELF** FROM FINANCIAL DISASTER

GAP DEFENSE<sup>™</sup> provides coverage in the event of a total loss due to accident or theft.

GAP DEFENSE<sup>™</sup> understands that your standard insurance policy for your RV will not provide all the financial protection you need. Many RVers have learned this the hard way. The reason being is because more often than

not, the value of your RV will be less than the balance of your loan, which is known as being upside down on your RV loan.

travel trailers

GAP DEFENSE<sup>™</sup> will help you to cover the difference when you're stuck in this unfortunate situation. Negative equity on your RV puts you at immediate risk.
