

## Roadside Protect<sup>SM</sup>

### RV Technical and Roadside Assistance

For 26 years, Coach-Net has solely focused on RV Technical and Roadside Assistance. Your customers can travel in confidence knowing they have a trusted RV expert available 24/7, just a phone call away.

## The Power of Coach-Net

- Extend your service hours with 24/7 mobile mechanic
- Protect your customer base
  - Coach-Net can serve as that blockade against the constant marketing your customers will receive from competitors. Provide peace-of-mind protection while protecting your additional sales opportunities.
- Enhance your customer service by providing:
  - 24/7 manufacturer supported and trained technical assistance
  - Concierge services
  - 24/7 service appointment assistance
  - And much more!

## Highlights

- Trusted by top RV manufacturers to provide their roadside assistance programs
- Your customers are in good hands with Coach-Net's 98% customer satisfaction rating
- Services provided within campgrounds
- Covers member and family on RV and all other personal vehicles
- Direct relationship with service provider network - no third party
