

FOREST RIVER PRESENTS
ROCKWOOD

FREEDOM | PREMIER | HIGH WALL | HARD SIDE

ROCKWOOD
FREEDOM | PREMIER | HIGH WALL | HARD SIDE

Yes, your camping, but that does not mean your comfort stays home. Residential living standards that make life easy make camping easy.

Features like the three-speed Create-A-Breeze ventilation fan to pull in fresh outside ambient air, and swing level galley to keep kitchen utensils in their place are simple amenities that add tremendously to the comfort of your vacation. It's your vacation. Do it right.

Rockwood Freedom Series

Wanting to camp but don't want to "rough it?" Welcome to the Rockwood High Wall Series. We have designed this series for the camping family who wants the refinement of larger vacationing units in a light-

weight camper. Ample counterspace, upgraded appliances and tasteful interiors make this camper a gorgeous option to experience.

Rockwood High Wall Series

A

B

C

D

- A** Sliding Storage Trunk (Some Models)
- B** Exterior Speaker (STD. Premier & High Wall)
- C** AM/FM Stereo with CD Player (STD. Premier & High Wall)
- D** Beautiful hardwall shower with a residential-style flush toilet complete with a 12-gallon black water holding tank. (Std. High Wall)

No more waiting in line for the showers. While breakfast is started, take a morning shower in privacy without leaving your camper. Our high wall models include a three burner range with cover and oven, microwave, stereo, a larger kitchen sink and shower which brings the finer amenities to tent camping.

ROCKWOOD

CONSTRUCTION

- 1) Three Stage Double Arm Lifter Posts (NA Hard Side)

ALKO® AXLES AND EASY LUBE HUBS

AL-KO Axles offer many advantages over conventional axles:

- Fully Independent Wheel Suspension
- No Metal to Metal Contact and No Springs, Shackles, Hangers, or U-bolts to Break or Wear Out
- Lower Trailer Center of Gravity For Improved Stability

Note: Torsion Axles on Premiers and HWs only. Easy-Lube Hubs on all units except LTDs.

PEACE OF MIND.

Forest River has yet another exclusive feature to offer: One year of free roadside assistance will be given to every 2011 Rockwood customer. This is just one more way to say "Thank you" and to ensure an enjoyable traveling experience.

ROCKWOOD WARRANTY INFORMATION

For details on Rockwood's complete warranty program, see your Rockwood dealer. When it comes to backing products with the same quality and commitment it does when it begins the manufacturing process, the only name you have to remember when you're looking for a recreational vehicle is Rockwood. Rockwood offers the following additional limited warranties to the original purchasers. Consult written warranty for details.

1. Five-year roof warranty,
2. Twenty-five-year floor warranty,
3. Five-year frame warranty,
4. Five-year tent warranty,
5. Five-year warranty on torsion axle suspension,
6. Limited life-time warranty of lifter system,
7. One-year bumper to bumper. Ask your dealer about the available lifetime structural warranty.

FOREST RIVER'S HALLMARK OF EXCELLENCE PRE-DELIVERY INSPECTION FACILITIES

THAT'S 20,000 SQUARE FEET OF QUALITY ASSURANCE. THE BARE ESSENTIALS FOR A PREMIUM PRODUCT.

Brought online in 2005, Forest River is proud of its state-of-the-art test facility. This beautiful building blends many of the old tried and true methods of testing our diverse types of RVs with new innovative ways of solving quality issues. Being centrally located to most Forest River manufactur-

ing facilities, this 20,000 square foot PDI (Pre-delivery Inspection) test building gives immediate daily feedback to individual managers. This assures the production facilities that nothing has slipped by the plant's quality assurance personnel and the units are "green" and ready to ship.

FOREST RIVER ENCOURAGES YOU TO **BUY LOCALLY** FROM YOUR HOMETOWN DEALERSHIP.

Forest River, Inc. strongly encourages our retail customers to purchase from their local dealership whenever possible due to the following factors:

- 1) Our Dealers are as a rule, independently owned and operated businesses. Outside of those customers they personally sold products to, they are not contractually obligated to perform warranty service on Forest River products that were purchased elsewhere. There may be an occasion that you would be required to return to the point of purchase to satisfy warranty requirements.
- 2) Although many dealerships will eventually service products not purchased at their place of business, they will usually take care of their customers and other Forest River customers who are traveling away from their local dealer as they would their own.

3) Local purchases allow a customer to establish a relationship with a dealer close to home. This relationship provides the customer with a convenient location for service and support from a "home town" professional.

4) The opportunity for a thorough PDI (Pre Delivery Inspection) and product orientation is an additional benefit of buying from your local dealer. Further providing the opportunity for refresher courses or the ability to get questions answered much more conveniently.

5) For our Canadian customers, there are also requirements which must be met to bring an RV purchased out of the country to their home. Although not insurmountable, these requirements may involve such things as additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.

6) Forest River's goal is for all RV Owners to fully enjoy their RV experience. In light of this goal, and considering the advantages of buying local, we encourage you to be thorough when determining what product to purchase and which dealer to purchase it from as both are key to your ultimate satisfaction and the realization of your dreams.
