HIKE – a towable built for beyond

Introducing a towable built for beyond. Beyond the beaten path, with offset wheels that pack all the stability of larger towables in a 6.5 ft frame. Updated exterior styling—built to accommodate outdoor enthusiasts and a flexible storage system take the Hike well beyond the expectations of everyday.

- » Off-road tires, offset wheels, and robust fenders make easy work of tough roads.
- » Pack in more adventure in the durable, convenient front storage. With space for a battery, LP tanks, or adventure gear.
- » Bikes, kayaks, and other tools of the trek can be securely attached to the Hike's rugged exoskeleton.
- » Choose from five flexible floorplans—all under 4,500 lbs—to fit your lifestyle.
- » Contemporary styling, clean lines, and quality interior furnishings make the Hike's interior as inviting as it is innovative.

Legendary quality – We have you covered.

3 Year Limited Structural Warranty

The Winnebago Towables Limited Structural Warranty covers your RV for a period of three (3) years from the date of purchase by the original owner. This structural warranty covers the workmanship attributable to Winnebago's manufacturing and assembly of the structural portions of your RV. Structural coverage includes:

- » Main steel frame
- » Steel frame outriggers and cross members
- » Skeletal framing (wall studs, floor joists, roof rafters)
- » Sidewall assembly
- » Roof assembly
- » Roof materials installation
- » Flooring assembly
- » All slideout boxes and applicable structural assembly
- » Fiberglass front caps (paint fade cracking)

1 Year Limited Base Warranty

In addition to the 3-Year Limited Structural Warranty, the Winnebago Towables Limited Base Warranty covers your RV for a period of one (1) year from the date of purchase by the original owner. This limited warranty covers defects in materials and workmanship supplied by and attributed to Winnebago's manufacturing and assembly of the RV.

TPO ROOFING

A durable, bacteria-resistant material protects against debris, algae, ultraviolet and chemical exposure. Its flexible membrane allows it to withstand punctures, tears, and impact-related damage (N/A on HIKE models).

LED EXTERIOR LIGHTING

Features reverse lights in rear tail lights and blinking cap lights (on select models).

ROOF-MOUNTED SOLAR PANEL(S) STANDARD

A quiet alternative to generators, this standard offering allows flexible camping options, and lower emissions while providing uninterrupted power to lights, furnaces, fans and DC appliances.

Each unit is also pre-wired for side-mount solar prep to expand your solar capabilities.

COLOR-CODED WIRING

Easy-to-trace circuits simplify electrical and other system troubleshooting, reducing service time.

AZDEL MATERIALS

A durable, lightweight sidewall composite protects from moisture and high temperatures to increase RV lifespan by reducing the risk of mold, decay and rot.

TOWABLES BRAND STORY

Brand Promise

Winnebago gives you a community to belong to that pushes the boundaries of every adventure.

The Winnebago Towable Legacy

Towables are in Winnebago's DNA. In fact, Winnebago was founded in 1958, originally as a travel trailer manufacturer. Since then, we have evolved our towables offering to not just meet, but exceed, the demands of our consumers. Inspired by our founder, industry pioneer John K. Hanson, we continue to push what's possible in the towable category through relentless innovation.

Our Brand Positioning: United and Boundless

We are for the boundless adventurers and travelers who have a drive for experiencing what's next with those who matter to us most. Winnebago provides a community united by pride and a sense of belonging. With our commitment to quality, innovation and consumer trust, we take you further, for longer. So that you can always be bound by the adventure ahead.

Putting the Customer First

Our owners have always been at the center of our designs. We make connections with our community to collect feedback on our products, ensuring we continue to innovate and meet consumers' new needs. We pioneer the highest quality towable with each floorplan specifically designed for different types of travel. So, for your next adventure, we have the right rig made for you.
