OPEN TRAIL

The most affordable, feature-packed fifth wheel in the market today, the Open Trail is designed to be lightweight on your truck and even lighter on your wallet. The Open Trail has all the features you have come to expect in a fifth wheel at a fraction of the cost.

Laminated and vacu-bonded aluminum-framed sidewalls and floors provide the strongest structure in the industry. As with all Chaparral models, Open Trail features Azdel composite panels in the sidewalls to reduce weight and provide a stronger, greener wall.

Open Trail also has Congoleum flooring with a 3-year warranty, Ultra leather furniture, a 6-gallon gas/electric water heater, fully-enclosed and heated underbelly, outside shower, and much, much more!

The spacious slide-out room allows your family to move around comfortably. Dinette converts to additional sleeping area.

Enjoy all the amenities of home with a fully-equipped kitchen.

Easy-access bathroom with large glass enclosed shower and mirrored medicine cabinet.

Convenient laundry chute in select models.

LITE PROFILE

We believe that a natural towing experience — one in which you can forget that you are actually pulling something — can be achieved thru great aerodynamics and light weights. Our combination of Alumaticage construction and Turn Tec Engineering has taken towability to a whole new level. Chaparral Lite fifth wheels are available in single, double and triple slide-out floorplans that have been designed for today's ½ ton pickup trucks and people that enjoy the RV lifestyle.

Model 280RLS bedroom with multiple storage areas, overhead reading lights and Serta® pillow-top queen mattress.

Extra storage space under the sofa keeps extra blankets and pillows hidden away.

Coachmen Chaparral and its engineering team have developed one of the best front cap designs in the business! One look at our cap design and you will see how our turn radius is better.

Most of our Chaparral units have been designed with the short bed truck in mind.

The bus-style slam latch baggage doors provide convenient and secure access to your cargo.

Astro-Foil insulation — insulates under our bed/bath decks and under our slide-out floors.

12 volt battery disconnect quickly and conveniently provides a quick shutdown.

The Serta® pillow-top mattress provides a comfortable night's rest in the Chaparral.

Pack Max Storage — larger, insulated pass-through storage doors.

A universal docking station conveniently houses, in one location, items such as city water hookup, fresh water fill, cable TV hook-up and black tank flush.

Our outside kitchen featuring a half-sized refrigerator, pull-out shelf with Coleman® grill and plenty of cabinet space.

7-way one-touch remote for awning slide-outs and landing gear provide push button convenience on your camping trip.

Travel Easy™ is the security of knowing that help is an easy phone call away.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

We offer and include major brands in our products!
