

Your Value Leader

SHASTA CONSTRUCTION

Comfortable and roomy dinette booths are offered in every floorplan, along with a Jack Knife sofa, and a 60" x 74" Queen Bed. Durable fabrics, pocket-bored and screwed cabinetry, full extension ball bearing drawer guides, and electric slide rooms are details you will love in your time spent in a Oasis. From our Designer Carefree flooring to the one piece rubber roof, know your Oasis is supported by 16" on center wall and floor studs. The Oasis delivers everything you need for your travel adventures.

THE SHASTA STORY – Leading Value in the RV Industry

In 1941, the first Shasta "house trailer" was built to be used as mobile military housing. Today, over 70 years later, Shasta remains an important player in the multi-billion-dollar RV industry. As one of the industry's longest producers of recreational vehicles, Shasta is proud of its longevity. We've earned our success in the best possible way – through experience ... more experience than any other RV company in the world. Shasta's respected name prevails in today's fast-moving RV industry because of experience, combined with a strong, service-oriented dealer network, a loyal, repeat customer base, and our outstanding association with our parent company, Forest River.

Shasta Recreational Vehicles · 105 CR 14 · Middlebury, IN 46540 (574) 825.7178 · www.ShastaRVing.com

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.

2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!

3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.

4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!
