CLASS A

TIFFIN

Clockwise from top: Cockpit; Dinette; Steering Wheel and Digital Dashboard; Master Bed. All interiors shown are 33 BR with Natural Alder cabinets, Solfafina décor.

2020 ALLEGRO BREEZE

EASY GOING

The 2020 Allegro Breeze® more than lives up to its name. Everything about this luxuriously compact model is designed for easy living. Our shortest Class A delivers an enjoyable ride, with nimble handling, smooth air ride suspension, and a robust rear diesel engine. Living areas are airy, bright, and comfortable, with high-end furnishings and finishes, including custom-built solid wood cabinetry with impressive storage capacity. The Breeze is also equipped with exclusive Tiffin innovations, from seamless slides and automotive-style compartment doors to our proprietary PowerGlide® Chassis. On the road and off, traveling in the Breeze is a breeze.

Main Living Area

Comfortable and cozy, the inviting living area shares the same attention to luxury and style found on our larger, Class A coaches. Superior spatial engineering, utilizing customized solid wood cabinetry, ensures every square inch is used efficiently. And when nights get chilly, warm up in front of the optional fireplace.

Left to right: Dinette; Living Area. All interiors shown are 33 BR with Natural Alder cabinets, Solfafina décor.

Top to bottom: Driver Side Sofa Bed; Sofa Bed expanded; Living Area looking at the Cockpit.

The cool brightness of LED lighting illuminates interiors, using a fraction of the energy of incandescent bulbs to preserve the coach's battery life.

Master Suite

Tiffin has mastered the luxuries of the master suite. Memory foam mattress. Spacious wardrobe. A shower with skylight. Plus, privacy window shades along with a privacy hallway door. Built-in handcrafted cabinets and drawers ensure smart organization, as does a convenient medicine cabinet.

Left to right: Bedroom Storage; King Bed. All interiors shown are 33 BR with Natural Alder cabinets, Solfafina décor.

Tiffin-crafted solid wood cabinets, drawers, and closets add more storage than many larger-sized models.

Clockwise from Top: Bedroom TV; Bathroom vanity; Shower.

Kitchen

There's even more to see in the Allegro Breeze's stylish kitchen. Prepare delectable dinners that pair with the spectacular views from the panoramic window. You'll also enjoy the view of a well-equipped galley, featuring a 3-burner cooktop, convection microwave, double bowl sink, and residential-sized refrigerator.

Kitchen. All interiors shown are 33 BR with Natural Alder cabinets, Solfafina décor.

Top to bottom: Double sink; Pantry.

Reflecting over four decades of innovation, Tiffin's exclusive, custom-built PowerGlide Chassis demonstrates our ongoing commitment to delivering a motorhome experience that's precisely engineered for durability, reliability, performance, and control wherever your journey takes you.

MULTIPLEX WIRING WITH DIAGNOSTICS

The PowerGlide's multiplexed electrical system, with auto-reset fuses and relays, uses less wiring and increases reliability, efficiency, and flexibility.

DYNAMOMETER TESTING

Our dynamometer testing simulates full power road testing, enabling us to better assess engine performance, cooling system function, and instrumentation.

POWERGLIDE CHASSIS WARRANTY

The PowerGlide carries a Tiffin-backed limited warranty for three years or 50,000 miles against defects in materials and workmanship.

HUCK-BOLTED CONSTRUCTION

Huck Bolts are precision engineered two-piece fasteners. Huck Bolts are vibration resistant and provide direct metal to metal contact when installed.

Floor Plans

31 BR

33 BR

The design of every Allegro Breeze floor plan must meet four essential criteria: Maximum space, Optimal organization, Relaxation plus, and Elegant atmosphere. Tiffin's **MORE** Plans offer your family the most comfortable layout for life on the road.

If optional furniture combinations are selected, window locations may vary from diagram shown.

All options may not be available in every model. Because of progressive improvements and specifications, standard and optional equipment are subject to change without notice or obligation.

For a complete and up-to-date list of available options and specifications, visit tiffinmotorhomes.com.

Premium Paint System

Our eight-step full-body paint system features premium grade paints sealed with three layers of superclear coat with ultraviolet protection. An additional layer of scratch-resistant plastic coating protects the front of the coach, stairwell, and entry door lock.
