ADDITIONAL BENEFITS

- 

Substitute Transportation
Reimbursement to help cover the cost of transportation while your vehicle is being repaired for a covered breakdown.
- 

Trip Interruption/Travel Expense
If your vehicle is disabled, due to a covered breakdown, while you are a significant distance from home, we will reimburse reasonable lodging and meal expense, subject to a daily maximum reimbursement amount.
- 

Food Spoilage
Receive a reimbursement for the loss of perishable food or beverage due to a covered breakdown, up to the specified limit on your agreement.
- 

Fuel/L.P. Gas Replacement
If a covered fuel tank or L.P. gas bottle results in draining due to a mechanical breakdown, you will receive a reimbursement, up to the specified limit on your agreement.
- 

Manufacturer Warranty Deductible
In the event you have to pay a deductible under a manufacturer's warranty due to a covered breakdown, we will reimburse up to the specified limit on your agreement.
- 

Guaranteed Part Replacement
If a covered part fails a second time during the agreement term, all repair charges and deductible will be paid.
- 

Service Call
In the event of a mechanical breakdown of your RV's slide-out, jack, braking or lighting systems that prevents you being towed to a licensed repair facility, we will pay or reimburse you up to the specified limit on your agreement for the service call of an on-site repair.
- 

Emergency Roadside Assistance
If your vehicle is disabled and the agreement is in effect, roadside services are available 24/7 including towing, flat tire assistance, fluid delivery, lock-out assistance & battery assistance.

OPTIONAL COVERAGE

- 

Convenience Package (Included with Platinum & Gas/Diesel Wrap)
If factory or dealer installed, coverage includes, but not limited to kitchen center, monitoring systems, safety features, lighting, leveling jacks, slide-outs, and awning components.
- 

Audio/Visual Technology (Included with Platinum & Gas/Diesel Wrap)
If factory or dealer installed, coverage includes high definition television/monitor(s) and back-up monitor; audio/video and high-definition disc player; audio/video cabling and hubs; home theater audio amplifier and speakers, satellite dish or antenna including rotator motors, signal amplifier, control panel and switches, converter and in-motion satellite receiver.
- 

Auxiliary Powerplant Generator (Included with Platinum & Gas/Diesel Wrap)
If installed by the factory or factory-approved dealer, coverage includes all lubricated components of the powerplant generator.
- 

Hydronic Heating System
Coverage for various components found in heating systems branded as Aqua-Hot, or similar units.
- 

Lithium Battery Storage
Coverage for various components found in a Lithium Battery Storage System.
- 

Volta Power System
Coverage for various components found in the Volta Power System.
- 

Commercial Use
Coverage for a vehicle operated as a part of a for-profit business or vehicles used for rental or lease.
- 

Solar Option Surcharge
Includes inverter/charger, digital regulator, control monitor, solar panel module, solar panel regulator, wiring harness, solar panel, and charge controller.
- 

Transfer Case 4WD or AWD
Coverage for all internally lubricated parts.
- 

Mobile Technician
In the event of a mechanical breakdown of a covered component, we will pay or reimburse you up to the specified amount on your agreement for the service call of an on-site repair. *The vehicle is not required to be mechanically disabled as it does with the "Service Call" additional benefit.*
