Autumn Ridge Single Axle 172FB featuring hardwood cabinet doors, pleated night shades and tinted safety-glass windows

3-Burner Range with flush-mount glass cover, single basin kitchen sink, and residential high-rise faucet

Updated white cabinetry, foot flush toilet, in-bathroom sink and 12V powered bathroom vent

Residential vinyl flooring throughout

COMPACT & READY FOR THE ROAD

The Autumn Ridge Single Axle travel trailer is ideal for on-the-go enthusiasts. From an easy towing experience to residential touches, this RV makes it perfect for your next road trip. Though compact, these floorplans maximize living space to meet your needs. The fully-walkable Magnum Roof™ System, power awning with LED lighting, and residential vinyl flooring are just a few features that put this travel trailer above the rest. Trust in the Autumn Ridge Single Axle to be up for any challenge your travels may bring.

AUTUMN RIDGE SINGLE AXLE – STANDARD CONSTRUCTION FEATURES

PVC Roofing Membrane

One-piece seamless PVC roofing membrane that comes with a 15 year non-prorated limited warranty and is low maintenance, weather, tear and puncture resistant.

Power Awning with LED Lighting

Spacious Living

81" living room ceiling height and 96" exterior width

5/8" T&G Residential Floor

Quality materials and attachment help reduce soft, bouncy, and squeaky floors while adding structural integrity.

Floor Bolted through Frame

Unlike many competitors who simply screw from the bottom of the floor, Starcraft bolts all the way through the floor and the full-width outriggers.

Lighted Storage

Gives you visibility to find your stored items and allows you accessibility to your trailer storage while your baggage door is held up by convenient magnet catches.

20 lb. LP Bottle

All LP lines are made of flexible rubber that won't corrode over time like iron pipe.

MAGNUM ROOF™ SYSTEM

Reinforced crowned truss roof rafters with 3/8" fully walkable roof decking—strength tested to 4,500lbs—up to 50% stronger than the competition! Engineered to last! Your roof is a vital part of how your trailer is held together. **DO NOT** compromise integrity that has been built and trusted for years! How else can you possibly check the seals as required by your warranty, if you cannot fully walk on it?

DESIGNED WITH YOU IN MIND

The Autumn Ridge travel trailer offers a variety of floorplans, so you're sure to find the perfect fit for your family. Features include a fully heated and enclosed underbelly, PVC roofing membrane, and power awning with LED lighting—keeping your camping season longer and full of fun. With maximized space and residential amenities, this travel trailer offers comfort for the entire family while on the road!

AUTUMN RIDGE DUAL AXLE – STANDARD CONSTRUCTION FEATURES

PVC Roofing Membrane
One-piece seamless PVC roofing membrane that comes with a 15 year non-prorated limited warranty and is low maintenance, weather, tear and puncture resistant.

Power Awning with LED Lighting

Spacious Living
81" living room ceiling height and 96" exterior width

Forced Air Heated Enclosed Underbelly

Unlike many competitors who simply screw from the bottom of the floor, Starcraft bolts all the way through the floor and the full-width outriggers.

Floor Bolted through Frame

5/8" T&G Residential Floor
Quality materials and attachment help reduce soft, bouncy, and squeaky floors while adding structural integrity.

Lighted Pass-Through Storage
Gives you visibility to find your stored items and allows you accessibility from both sides of your trailer while your baggage doors are held up by convenient magnet catches.

Dual 30 lb. LP Tanks & Cover
All LP lines are made of flexible rubber that won't corrode over time like iron pipe. Plus, they have **LP QUICK CONNECT** so you can conveniently hook up that grill, turkey fryer, etc.

MAGNUM ROOF™ SYSTEM
Reinforced crowned truss roof rafters with 3/8" fully walkable roof decking—strength tested to 4,500lbs—up to 50% stronger than the competition! Engineered to last! Your roof is a vital part of how your trailer is held together. **DO NOT** compromise integrity that has been built and trusted for years! How else can you possibly check the seals as required by your warranty, if you cannot fully walk on it?

QUALITY YOU CAN COUNT ON SINCE 1903.

Dating back to **1903**, Starcraft was founded as a farm equipment manufacturer, then added marine manufacturing to its lineup, followed by tent campers in 1964. Since that time, Starcraft has earned its reputation as a well-established manufacturer of travel trailers and fifth wheels. It's a safe bet to say that a name dating back over 115 years, and a leader in the RV industry for over 50 years, will continue to prosper. With leading-edge product innovation and a customer-first focus, we look forward to seeing what the future holds. Undoubtedly, it will include **Camping, Pure and Simple.**

Go the distance with our **3-Year Limited Structural Warranty** plus a 1-Year Limited Manufacturer's Warranty—freedom from worry is your best travel companion.

Protect the environment with Starcraft **EcoAdvantage™**. Obtain peace of mind with our longstanding commitment to protecting the environment.

Welcome the weather. Extend your camping season with climate packages, featuring forced air heated and enclosed underbellies (most models). See StarcraftRV.com for more information.

[CLICK HERE TO FIND YOUR LOCAL DEALER](#)

From sales to service, Starcraft dealers are an integral part in making Camping, Pure & Simple. Establishing a great relationship with your local Starcraft dealer is a key component in the enjoyment of your new Starcraft. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support.

STARCRAFT

903 S. Main Street | Middlebury, IN 46540 USA | (800) 945-4787 | STARCRAFTRV.COM

Unloaded Vehicle Weight (UVW): Sometimes referred to as "Dry Weight." UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories. Hitch Weight (HW): The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight. It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle before heading out on the roadways. When you tow an RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Starcraft affixes a weight label to each RV which lists weight information for that vehicle. See specifications chart on the respective pages of this brochure.

Starcraft RV | 903 S. Main Street | Middlebury, IN 46540 | See dealer for further information and prices. All information in this brochure and on www.STARCRAFTRV.COM is the latest available at the time of publication approval. Starcraft RV reserves the right to make changes and to discontinue models without notice or obligation. Photography may show optional equipment or props used for decoration purposes only. RVs built for sale in Canada may differ to conform to Canadian codes. Starcraft and the S are registered trademarks of Jayco, Inc. Printed in U.S.A.
