NOMAD

COMPLETE DETAILS
stealthtrailer.com/nomad

STEALTH NOMAD UNLIKE ANY OTHER RV TOY HAULER

The Nomad is designed, engineered and built to haul the larger and heavier toys that traditional RV Toy Haulers do not have the capacities to haul. The Nomad can haul your Jeeps, Show Cars, Race Cars, Side by Sides, ATV's, Motorcycles, Construction Equipment, etc. The Nomad is the Toy Hauler that allows you take your favorite toys to your favorite destinations.

The Nomad uses .040 Exterior Colored Aluminum which offers 11 different exterior colors that gives a full body paint look and allows the customer to match their tow vehicles and/or toys. For an even more dynamic exterior look the customer can choose a two tone exterior option by choosing two of the 11 exterior vibrant colors which really gives the Nomad Toy Hauler a unique look.

• Your choice of heavy duty steel or aluminum frames—Fully welded 6-sided cage construction for superior strength and durability.

• Wider than most RVs the 8.5 wide Nomad is ready to handle side-by-sides as well as full size-cars and jeeps with a ramp-door opening of 80.5" high by 94" wide.

*** AVAILABLE COLORS ***

THREE YEAR LIMITED STRUCTURAL WARRANTY INITIAL RETAIL PURCHASER

Stealth Trailers warrants to the original owner that your trailer will be free from structural defects in materials and workmanship for period of 1 or 3 years from retail purchase providing all conditions have been met. The warranty obligation consists of and is limited to repairing and replacing any part, or parts, which in the opinion of the factory are defective under normal use during the 1 or 3 year period, starting at the date of retail purchase. See your Stealth Trailers dealer for more details.

STEALTH NOTICE

Due to constant product improvements, and changes in specifications, component parts and standard/optional equipment, all Stealth Trailers products are subject to change without notice or obligation. Product photography or diagrams may show equipment that is optional. Stealth Trailers reserves the right to make changes in pricing and models and to discontinue models without notice or obligation. Components, parts or chassis may have been manufactured at times other than the model year indicated. All capacities are approximate and dimensions are nominal. All dry weights are based on standard models with basic features and do not include optional features or equipment. Various components and features may differ to conform to local codes. The individual manufacturers not Stealth Trailers warrant appliances and other components.
