<b>Exterior Width</b>	102"	<b>Fresh Water</b>	96 gal.
<b>Gray Water</b>	44 gal.	<b>Black Water</b>	44 gal.
<b>Awning Size</b>	21'		

## SPECIFICATIONS DEFINITIONS

**GVWR (Gross Vehicle Weight Rating)** – is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

**GCWR (Gross Combined Weight Rating)** – is the maximum permissible loaded weight of your motor home and any towed trailer or towed vehicle. Actual GCWR of this vehicle may be limited by the sum of the GVWR and the installed hitch receiver maximum capacity rating; see hitch rating label for detail.

**GAWR (Gross Axle Weight Rating)** – is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

**UVW (Unloaded Vehicle Weight)\*** – is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

\*Estimated Average based on standard build optional equipment.

**CCC (Cargo Carrying Capacity) \*\*** – is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

\*\*Estimated Average based on standard build optional equipment.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

Actual towing capacity is dependent upon your particular loading and towing circumstances, which includes the GVWR, GAWR and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.

Note: Specifications are subject to change without notice.

## **PREMIUM PACKAGE**

- 100% LED Interior Lighting with Accents
- 15,000BTU Air Conditioner
- Power Awning
- Armored Underbelly Tank Enclosure and Forced Air Heat to All Holding Tanks
- 12V, High Efficiency, 10 Cubic Foot Residential Refrigerator with Travel Lock
- Exterior TV Hook Up
- Foot Flush Toilet
- Large Shower with Surround
- LED Exterior Accent Lighting
- Outside Shower with Hot and Cold Water
- Quick Clean Waste Tank Spray System
- Residential Stainless Steel Sink
- Satellite Ready
- Seamless Roofing Membrane with Heat Reflectivity
- Spare Tire
- Wide Body Construction

## **ROGUE SUT PLATINUM PACKAGE**

- 200 Watt Solar Charging System
- 1000 Watt Microwave
- 3 Burner Cooktop with Oven
- Quick Set Rear Bed System
- Rogue Stable Step at main entrance door
- Tankless On Demand Water Heater
- Solar Reflective Safety Glass Windows
- Screen Wall/Tent Wall
- Seamless Countertops
- Zebra Shades (Light Filtering and Blackout Capable)
- 12V Master Switch Battery Disconnect
- 50AMP Electrical Service and Marine Style Detachable Power Cord
- 55 Amp Converter
- Carbon Monoxide Detector

## **OPTIONS**

- Folds of Honor Package
- Ramp Patio Railing
- 6000 WATT GENERATOR
- 15K A/C in Bedroom

- Folds of Honor Package
- Power Tongue Jack (Travel Trailers)
