

COUGAR

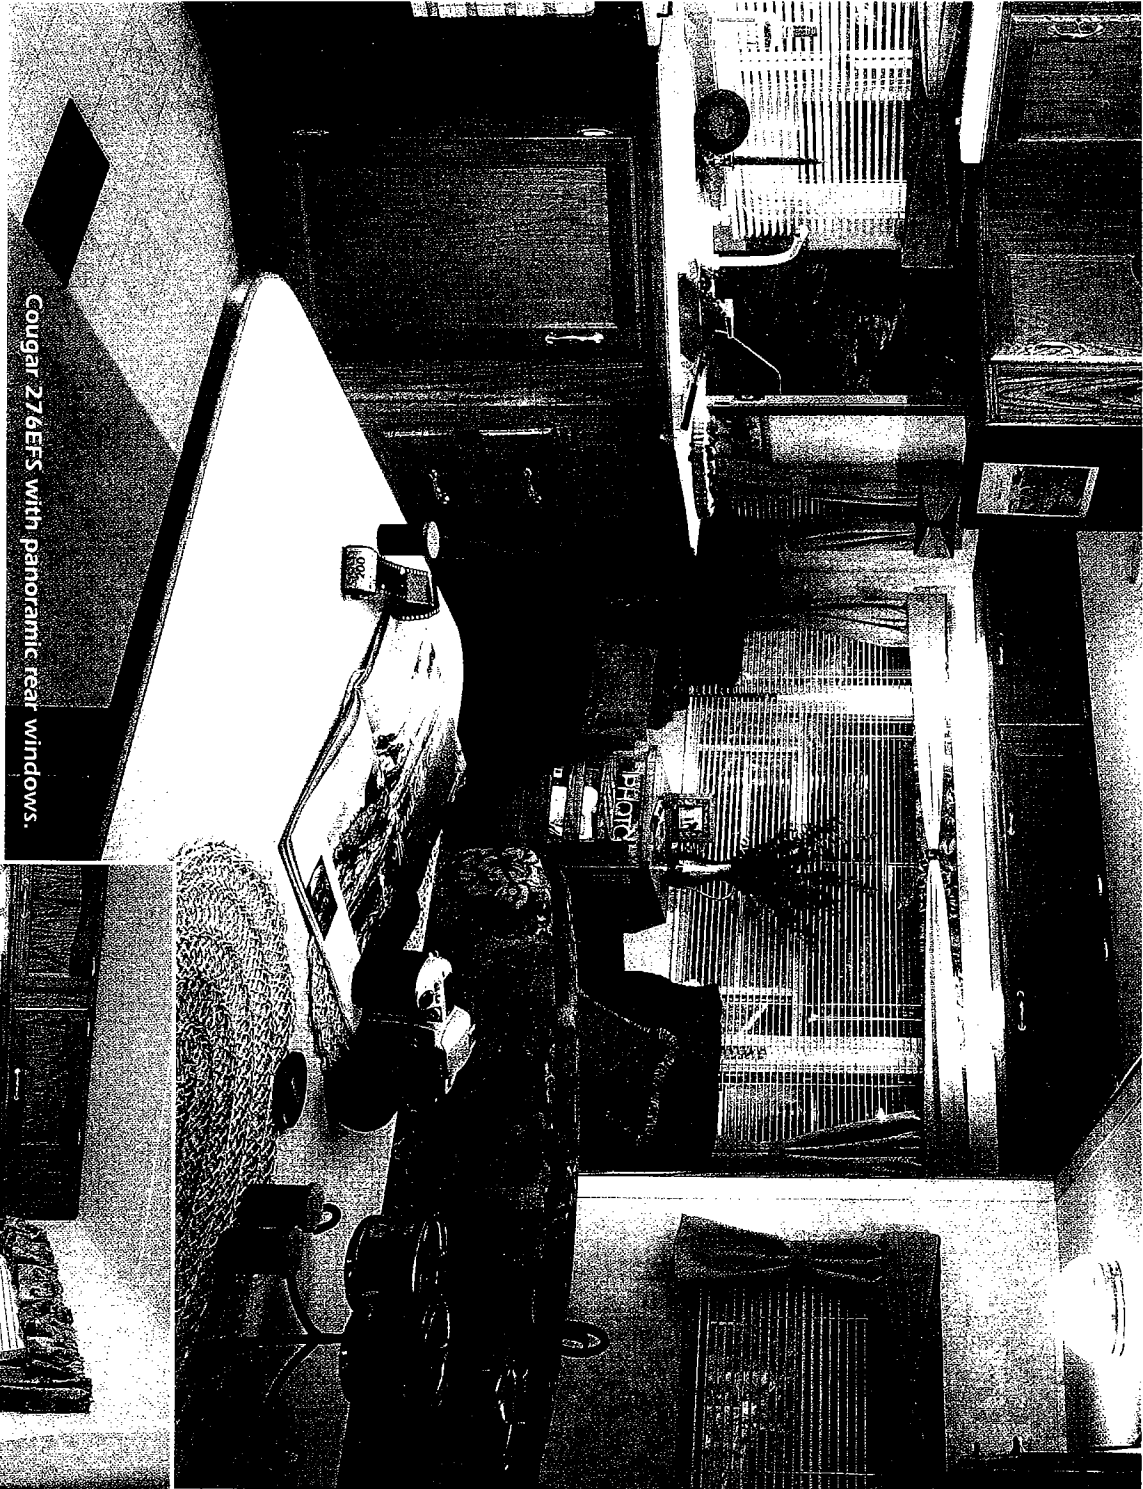

2001

by Keystone

**The New 2001 Cougar
Fifth Wheel
Advanced Design
For Today's Lite Duty Trucks**

Far Ahead of Tradition...

Cougar 276EFS with panoramic rear windows.

This spacious 2001 Cougar Harvest interior is styled with warm earth tones that are comfortably inviting...

...a perfect balance of rustic elegance and contemporary class!

Cougar's mid-profile design allows more stand-up room in both the bedroom and bathroom.

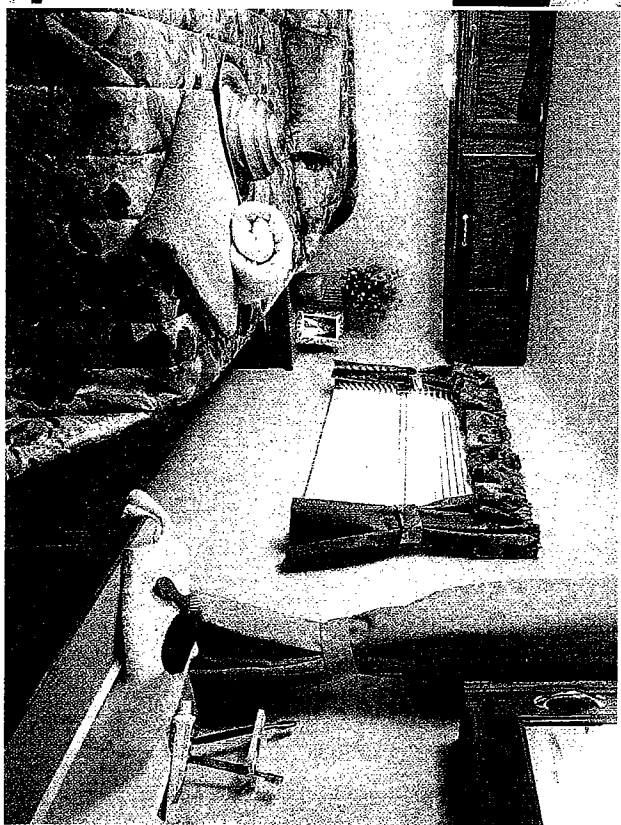

You'll recognize the care which guided Cougar's kitchen designers. There's incredible storage space in the solid wood cabinetry, for example. Appliances like the 22-inch oven, large microwave, and wood-pannelled, double-door refrigerator add to the residential quality and convenience. The high-arch faucet and deep double-bowl sink, surrounded by ample countertops, complete the picture of an ideal kitchen.
