

ALLEGRO BAY

WHY BUY A TIFFIN MOTORHOME?

The Best Limited Warranty in the Business

10-YEAR UNITIZED CONSTRUCTION WARRANTY

THE STRUCTURAL INTEGRITY OF THE ENTIRE COACH IS GUARANTEED FOR THE NEXT 10 YEARS. THIS INCLUDES WALL SEPARATION AND INNER FRAME WEAKNESS.

5-YEAR "HYDRA-VAC" LAMINATION WARRANTY

WE GUARANTEE AGAINST ALL EXTERIOR FIBERGLASS DELAMINATION OR WALL SEPARATION.

We can make these guarantees, and no one else can come close to them, because we take the extra steps and make the extra investment in the building methods and materials that support these extraordinary guarantees. It's not the cheapest way to build motorhomes, but it is the best way. It's the Tiffin way.

Service After the Sale

The feeling of freedom, of being able to go anywhere you want, is something that can't really be put into words. It's kind of like the feeling you get when buying a Tiffin. It's a freedom, too. A kind of confidence and peace of mind that you just can't get from other manufacturers. We not only stand behind every coach we sell, but we stand behind every customer as well. Because we don't want anything to detract from your unique experiences exploring the world in a Tiffin. So when you slide behind the wheel of one of our motorhomes, just look over your shoulder. There's an entire company riding right there behind you—every mile of the way.

WHEREVER
YOU GO, WE GO.

Tiffin owners
sleep better at night.
And not just because of
the comfy mattress.

The decision to buy a motorhome is usually one filled with uncertainty and second-guessing. And far too often, those emotions carry over long after the purchase is made. Let's face it, when you've got an entire house rolling down the highway, a lot of problems can arise. That's why it's important to make sure that the coach you buy is of the sturdiest construction available and is backed by a warranty that's second to none. Which is exactly what you get with the Allegro Bay from Tiffin Motorhomes. Built atop its solid chassis are amenities like solid hardwood cabinets and Flexsteel® captain's chairs, ensuring that each new day will afford you peace of mind. And every night a peaceful night's sleep.

ALLEGRO BAY COCKPIT

Sitting atop a **STURDY CHASSIS**, the cockpit features easy-to-reach controls for added convenience and safety, while the larger windshield affords the driver a much more **EXPANSIVE VIEW OF THE ROAD**.

A driver's side door is standard, and the Flexsteel captain's chairs can be unlocked and swiveled around to add extra seating to the already **SPACIOUS LIVING ROOM**, where the standard **FLAT SCREEN OVERHEAD TV** and the home theatre surround sound system offer a fantastic entertainment package.

ALLEGRO BAY LIVING AREA

PALM BEACH

The ROOMY LIVING AREA gives you and your guests plenty of space to move around, but the cabinet storage is what many people appreciate the most. Our CABINETS have SOLID HARDWOOD doors that far outnumber those offered by the competition.

The nickel-plated accents of the lamps and faucets add a touch of ELEGANCE, and the standard convection microwave and STAINLESS STEEL REFRIGERATOR are perfect for preparing any type of meal.

ALLEGRO BAY BEDROOM

PALM BEACH

The bedroom features a detailed, mirrored headboard flanked by windows that allow for a SOOTHING CROSS VENTILATION. Independently controlled overhead READING LAMPS provide more than ample lighting, and the FLAT SCREEN TELEVISION produces a large, clear picture.

Like the rest of the coach, the bedroom has OPTIMUM STORAGE SPACE that includes a LARGE WARDROBE with a mirrored front that gives the room a more SPACIOUS FEEL.

Carpet

On some models, an open vanity joins the bathroom and bedroom giving both spaces ADDED ROOMINESS while not sacrificing privacy. The bath has nickel-plated accents and, like our frames and cabinets, all fiberglass parts are manufactured locally, helping to ensure the most stringent quality control.

Our fabric designs and choices of wood grain are sure to suit every taste. All cabinet finishes are available in combination with all fabric schemes.
