## **RUGGED MOUNTAIN TOUGH CAMPING**

### **"IT'S WHO WE ARE"**

Here at the factory in the mountains of Eastern Oregon we know what it's like to camp 15 miles down the back-country dirt road as we are surrounded by mountains on all sides! Some of the most pristine / secluded camp sites are in places just like this! We wanted our customers to be able to enjoy these places just like we do, that's why we put so much effort in design underneath the RV looking at the dirt!
