DESCRIPTION

Boasting a rich heritage with over 20 years experience manufacturing some of the worlds toughest military vehicles, Conqueror's off-road hybrid caravans are designed to take on Australia's harshest conditions and environments.

The UEV-490 is Conqueror's flagship model featuring all the essentials, comforts and luxuries for off-road enthusiasts that want the toughest hybrid caravan to take on their adventures.

With enough space to sleep a full family or some friends, this unique hybrid accommodates a comfortable amount of storage with accessibility from the inside and out. Pull up to a location and get access to the fridge and pantry or just sleep without any setup required.

DIMENSIONS

Tow Ball Weight: 150kg
Tare Mass (unladen): 1,380kg
