2023 Jay Flight

Starting at \$31,640

One of our longest running brands, the Jay Flight has been a family favorite for years. Part of Jay Flight's lasting power is its superior construction. For example, the integrated A-frame and magnum truss roof system on all models. Unlike our competitors, it's not just the bottom of the trailer being towed, but the entire frame, creating more stability and safety on the road. We also offer dark-tinted windows for your privacy and added safety.
