Model XT30SB

“The CrossForce becomes an essential part of your adventure with features to enhance your getaway experience. More features than you'd expect, including a corner shower in the bathroom that's ideal for small families. And a kitchen-dining area that's super convenient with everything close at hand.” Brandon White

You're just a step away from great outdoor adventure in the CrossForce sport utility trailer. With a garage in back, separate living space in front and all the standard features included, CrossRoads will help make your next adventure the best one yet.

The multi-purpose, exterior hand sprayer is really practical. There's an outside shower, too.

The CrossForce SUT has a convenient fueling station that easily stores out of sight.
