TRANSCEND

We'll take you there.

“ We love our 27BHS Transcend...

it's perfect for our family. My kids enjoy the spacious bunk beds and my wife and I love all the room and features that come with it. We have been impressed with the build quality. We can't wait to take it out again. ”

- Chris & Carissa White

“ We have a Transcend 27BHS and we love ours.

Our kids have had friends camp with them and having the full size bunks help. I also like having the small outdoor kitchen with the refrigerator. It keeps the kids from running in and getting a drink every 10 seconds. ”

- Dana Wissing Schwartz

“ We love our 28MKS...

It's a great couples trailer. The layout is so spacious, lots of storage and it's really the light colored interior that really makes it feel homey. We are able to add our own touches. Everything about it is nice and convenient. ”

- Bonnie

TRANSCEND™

BY GRAND DESIGN RV

Welcome to the Grand Design family.

Grand Design's Transcend continues our pursuit of building around the needs of our customers. Where others surrender quality, function and features, Transcend focuses on the needs of consumers – open floorplans, functional design, and towable with many of today's half-ton trucks and SUVs.

The all-new Grand Design Xplor is the perfect fit for your dream of enjoying the great outdoors. The Xplor starts at the top of its class by offering customer-focused design, built-in quality, and the industry-leading warranty that is expected from a Grand Design. *It's time to explore the possibilities.*

We Strive For Nothing Less Than Customers for Life!

Thank you for taking the time to tour our coach. We would like to share what sets Grand Design RV Company apart from all other RV manufacturers and why this difference is important.

Grand Design's founders were part of the ownership and leadership team of the largest travel trailer and fifth wheel manufacturer in the world. While proud of this accomplishment, it became difficult to stay in touch with customers, employees, and ultimately the quality of the final product. It was obvious there was a better way.

In 2011, we started with a blank canvas to pursue that better way, a different way, than what had been done before. A company whose culture requires a long-term, personal connection with our customers, employees, and dealers – that company is Grand Design RV. Our business model of doing the right thing has led us to unparalleled years of growth.

LONG TERM VALUE

Everything we do at our company is designed to build long term value in what we offer our customers, "more features and superior value for your dollar."

CUSTOMER FOCUS

Our focus, from the very first day we opened our doors, revolves around our customers. Your satisfaction is our future.

STAYING CONNECTED

Magic happens when the CEO and Senior Management actively work with the production facilities to help build the team and develop products.

EXPERIENCED WORKFORCE

Our local workforce has been hand-picked and has an excellent reputation for second-to-none industry craftsmanship.

CLASS LEADING WARRANTY

We back every one of our coaches with a 3-year limited structural warranty.

RAISING THE QUALITY BAR

We put every Grand Design RV through a series of quality inspection gates during the manufacturing process. Once completed, the unit undergoes a comprehensive "final finish" inspection. At this point, most manufacturers ship their coaches to the dealer for retail sale. We aren't most manufacturers. **Every single one of our coaches are shipped to a PDI (Pre-Delivery Inspection) area where they are put through a rigorous 288+ point inspection checklist.** It is only after PDI certification that we deem a unit ready to ship to our dealers.

SUPERIOR SERVICE

Anything built by humans that travels down the open road is subject to issues. It's how those issues are addressed that makes Grand Design stand out. Don't just take our word for it, visit the independent Transcend owners page (Grand Design Transcend Owners) or (Grand Design RV Owners) on Facebook and see for yourself. We take care of our customers after the sale. An informed customer will be a Grand Design customer!

At Grand Design our goal is simple – continue leading the industry with quality products while improving the customer's RV experience before, during and after the sale. We strive for nothing less than customers for life and we would be honored to personally welcome you to the Grand Design RV family!

Warmest Regards,

President / CEO / Co-Founder

Grand Design RV was created and founded by close friends Don Clark and brothers Ron and Bill Fenech (Representing over 80 combined years of experience in the RV industry).
