- 1** (Gross Vehicle Weight Rating) is the maximum permissible weight of this trailer when fully loaded. It includes all weight at the trailer axle(s) and tongue or pin.
- 2** All dry weights are based on the standard model and do not include optional features or equipment.
- 3** Maximum Carrying Capacity is determined by subtracting Gross Dry Weight from GVWR. Maximum Carrying Capacity includes all fluids, optional features, equipment, and personal cargo.
- 4** Trailer length includes 3' 6" for hitch; fifth wheel includes standard pin box.
- 5** Add 12" if equipped with optional roof air conditioner.
- 6** Approximate.
- 7** Water weight equals 8.3 lbs per gallon. LPG weight equals 4.5 lbs per gallon.
- 8** Add 10" if equipped with optional spare tire and carrier.
- N/A** - Not available at time of printing.

**IMPORTANT – PLEASE READ:** Product information and photography included in this publication were as accurate as possible at the time of publication. For the most current product information and changes, please visit our website at [www.fleetwoodrv.com](http://www.fleetwoodrv.com) or contact your local Fleetwood dealer. Subsequent refinements may be evident in the actual product. Prices and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads to ensure that the recreational vehicle's capacities are not exceeded.

### TO OUR CUSTOMER FRIENDS...

To make sure that you get the maximum satisfaction out of your recreational vehicle purchase, there are several things you should know:

1. Learn all you can about the travel trailer or fifth wheel you're planning to buy. Don't rely on word of mouth. Get the facts about the actual trailer length, width, unloaded weight with options, Gross Vehicle Weight Rating, and cargo carrying capacity. These are usually available in the manufacturer's sales literature or from the Cargo Carrying Capacity Label located in each trailer. Be sure to check this information **before** you decide which unit to buy.
2. Verify the towing capacity of your tow vehicle. If you don't know, or aren't sure, you can ask at your automotive dealership. Be sure to match its tow rating to the loaded (not dry) weight of your trailer. Include the weight of water, additional accessories, clothing, food, and gear. To help Fleetwood travel trailer customers estimate this total weight, our Gross Vehicle Weight Ratings reflect the maximum weight of the trailer when fully loaded for camping.

Taking these simple steps before you buy will help insure that your trailer and tow vehicle combination is just what you wanted.

Happy Camping!

## RV OWNERCARE—

### THE FLEETWOOD RV TWO-YEAR WARRANTY COVERAGE\*

This comprehensive program includes systems, appliances, components and construction— with no additional costs to you.

### TWO-YEAR FULL WARRANTY\*

Leaving the Fleetwood RV dealership after you've purchased your RV doesn't mean leaving Fleetwood's commitment to your satisfaction behind. This complete warranty is unique because it's just that—complete.

### FULLY TRANSFERABLE\*

Because we don't hesitate to stand behind our products, the complete warranty is fully transferable during the 24-months of warranty coverage, which is a plus for resale value.

### NATIONAL COVERAGE

Traveling to Spokane? Buffalo? We've got you covered with one of the nation's largest trained service networks. In fact, 1,100 Fleetwood dealers are just a phone call away.

\*For complete details, see your Fleetwood RV dealer.

**IMPORTANT—PLEASE READ:** Product information and photography included in this publication were as accurate as possible at the time of publication. For the most current product information and changes, please visit our website at [www.fleetwoodrv.com](http://www.fleetwoodrv.com) or contact your local Fleetwood dealer. Subsequent refinements may be evident in the actual product. Prices and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads to ensure that the recreational vehicle's capacities are not exceeded.

## 24-HOUR ROADSIDE ASSISTANCE PROGRAM

Flat tire? Locked out? First-year roadside service in the U.S. or Canada is free. Just sign up with your dealer. After a year, you can continue this service for a reasonable cost.

**WE APPRECIATE OUR CUSTOMERS** Be sure to ask your dealer or call 1-800-205-0606 about your complimentary 30-day Thousand Trails® membership certificate. The opportunity to experience resort-style camping amenities and outdoor recreation around the country is an excellent way to begin enjoying your new RV. Happy (Thousand) Trails!
