# CAB-HI 2

## MORE THAN READY

Life's an adventure, so pack in more of just about everything with SnugTop Cab-Hi 2. Custom-crafted to match the fluid lines of your specific truck, SnugTop Cab-Hi 2 protects cargo from weather and theft with renowned quality, fuel-efficient design and precision engineering. So transform your truck with SnugTop and enjoy the luxury of space.

- Aluminum-framed Side and Rear Windows
- Fuel-saving Aerodynamic Styling
- Sliding Side Windows with Screens
- + Side Windows for Easy Side Access

Older generation Cab Hi Model Caps have slightly different features and options. Consult your authorized SnugTop dealer.

# BEDSLIDE

Now nothing is out of reach. Meet BedSlide<sup>®</sup>, the ultimate sliding bed system that perfects truck bed organization. And with the ability to support loads up to 2,000lbs., there's almost no limit on what you can carry.

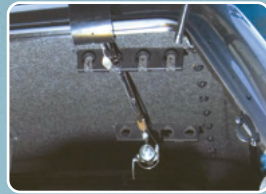

# Options & Add-ons

Customize your cap with upgrades that deliver exceptional security, comfort and organization.

**Clothes Hanger Rod** easily integrates into cap to help keep you looking your best. (approx: 12")

**Fishing Rod Holder** keeps up to 4 poles high and safe.

**Window** with gas props makes for easy bed access from each cap side.

**Keyless Entry** integrates with your truck's key fob.

**Rotary Latch Lock System** is constructed of high-strength, non-corrosive steel for dependability and security.

**Yakima Tracks and Racks** give you even more cargo capacity on top of your built-strong SnugTop.

**Plastic Coated Metal Pet Screen** mounts inside each side window to safely keep your pets inside while enjoying fresh air.

**Windows with Slider** are the ultimate side windows for access, venting and convenience.

**Pro-Lock** provides advanced security and convenience including automatic recoiling lock, keyless open/close (if unlocked), and the ability to lock cap from inside.

**Sportsman Package** dials up cap strength to support loads up to 500 pounds thanks to its double-reinforced one-inch thick roof. Package also includes four fishing rod holders.

**Sliding Removable Screens** provide convenient ventilation for sport equipment, plants and pets\* while also popping off for easy cleaning.

**Fold-Down Front Slider Window** makes it easy to clean or grab large items from cab.

**EXCLUSIVE Patented Pop-out Lock** enables locking from inside—great for camping safety.

\*While vehicle is not in motion or running

# Standard Features

Every fiberglass cap model is held to the highest standards for quality, durability and a snug fit.

**Specialized Rain Gutters** direct rainwaters and snow melt to keep seals secure and cargo dry.

**J-Clamp Mounts:** Hidden, strong hold for a secure, weatherproof seal while reducing vibration.

EXCLUSIVE

**Aluminum-Wrapped Window Frame** provides a premium appearance to the cap interior that you can't find anywhere else.

snugtop.com

Born out West, SnugTop has a unique point of view. Each cap is precisely engineered to protect your cargo from harsh weather, beach heat, desert dust, and a whole lot of life. It's where substance meets style, convenience complements capacity, and aerodynamic design is continually optimized for low road noise and improved fuel-efficiency.
