CONCORD INTERIOR AND EXTERIOR ADVANTAGES.

THE 301 SS (SHOWN ABOVE WITH ELANTRA DECOR)

- 1 Beauflor™ brand flooring:** Easy to care for with a "real wood" look. Non-skid surface, no cold cracking and doesn't curl like linoleum.
- 2 Upgraded leather appointed furniture:** Live in the lap-of-luxury and enjoy the feel and look of the upgraded furniture.
- 3 Large panoramic windows:** See more of the great outdoors and pull the shades down for privacy when you need it.
- 4 Solid surface countertops and dinette:** Lightweight and durable eliminating self-edging or T-molding that comes apart over time.
- 5 Hardwood doors:** Made with mortise and tenon joints and screwed cabinet frame construction. It's beautiful and durable with plenty of space and strength for canned goods. No staples to pull apart.
- 6 "Dream" dinette mechanism:** Easily convert your dinette into a comfortable sleeping area by simply pushing the dinette table straight down.
- 7 Large round bowl sink:** Attractive and durable with plenty of room for larger pots and pans. The high rise faucet lets you get cookware cleaned up in a snap.
- 8 Skylight:** The skylight has a pleated shade that lets you control the amount of light that's coming in.
- 9 Soft Touch Ceiling:** Recessed halogen lights for brighter interior lighting and an upscale polished look.

32" LCD TV, AM/FM/CD/DVD stereo with subwoofer, leather pilot seats and AM/FM/CD radio with integrated backup camera.

300 TS Bedroom with queen bed, panoramic rear window, bedroom TV and plentiful storage.

301 SS Kitchen featuring 3 burner range top with Half-Time convection microwave and halogen under cabinet lighting.

301 SS Twin bed option with center wardrobe.

2" Hi-gloss "curved" sidewalls:

Hi-gloss fiberglass bonded to Azdel and aluminum framing with a composite R value of R9—easy to clean, easy to maintain and very durable.

"Even Cool" air conditioning system: Radius corner "Amoco" insulated roof ducting for maximum cooling efficiency.

Outside shower with black tank rinse (located off door side):

Easy clean up at the waste tank termination. It also enables you to clean dirty camping equipment outside

Molded fiberglass front and rear caps: Stylish and aero-dynamic. The one-piece molded fiberglass cap adds a sleek automotive touch.

Azdel "Super-Lite" sidewall building material: The "no wood" alternative to laminated sidewalls. Azdel is lightweight, durable and moisture proof. The "Next Generation" in Rv's.

LED Lights: Clearance, marker and tail lights.

Roto-cast storage compartment:

Made of an anti-corrosive polymer plastic, the seamless and durable exterior storage compartments are built to last.

Firestone "Ride-Rite" air assist rear suspension:

Adjustable for ride preference and towing while easing the strain on the rear leaf springs for a longer life.

Outside entertainment:

Enjoy music at your campsite while you hangout under the full length awning. Equipped with marine grade speaker, 110 volt outlet and TV hook-up. Available with optional outside TV as shown.

Generator as standard equipment: "Full power" while traveling, tailgating or dry camping. Onan generator option available.

80" Entrance door with optional automated step: Add a step with the flip of a switch for easier and safer entry and exit.

Strong fiberglass running boards with front fender flare.

Stainless steel wheel liner.

Typically equipped unit shown with Twilight full body paint option

CONCORD LE INTERIOR AND EXTERIOR ADVANTAGES.

THE 220 LE (SHOWN ABOVE WITH BLACK AND TAN DECOR)

- 1 Beauflor™ brand flooring:** Easy to care for with a "real wood" look. Non-skid surface, no cold cracking and doesn't curl like linoleum.
- 2 Upgraded leather appointed furniture:** Live in the lap-of-luxury and enjoy the feel and look of the upgraded furniture.
- 3 Large panoramic windows:** See more of the great outdoors and pull the shades down for privacy when you need it.
- 4 Thermofoil dinette table and countertops :** Seamless countertops eliminate self-edging or T-molding that comes apart over time..
- 5 Hardwood doors:** Made with mortise and tenon joints and screwed cabinet frame construction. It's beautiful and durable with plenty of space and strength for canned goods. No staples to pull apart.
- 6 Built in microwave:** Great for heating up water for a quick cup of coffee or tea and for making a quick and easy snack.
- 7 Stainless steel sink:** Attractive and durable with plenty of room for larger pots and pans. The high rise faucet lets you get cookware cleaned up in a snap.
- 8 Pull out countertop extension:** Add more countertop space at your convenience.
- 9 Upgraded window treatments and pleated shades:** For the right mix of interior beauty and privacy.

32" LCD TV, AM/FM/CD/DVD stereo with subwoofer, leather pilot seats and AM/FM/CD radio with integrated backup camera. Our LCD TV's are made especially for motorhome use. Tested to 3 G's for durability with control buttons on the front in case you misplace the remote.

One Touch power awning:

Easy to open and easy to close the power awning comes complete with adjustable arms.

"Even Cool" air conditioning system:

Radius corner "Amoco" insulated roof ducting for maximum cooling efficiency.

Sleek body design with small cab-over:

Thinner, shorter with less overhang at the cab-over. Less wind resistance, better fuel economy and easier to handle.

Molded fiberglass front cap:

Stylish and aerodynamic. The one-piece molded fiberglass cap adds a stylish automotive touch.

2" Hi-gloss sidewalls:

Hi-gloss fiberglass bonded to Azdel and aluminum framing with a composite R value of R9—easy to clean, easy to maintain and very durable.

Azdel "Super-Lite" sidewall building material:

The "no wood" alternative to laminated sidewalls. Azdel is lightweight, durable and moisture proof. The "Next Generation" in Rv's.

Exterior warehouse storage compartment:

Provides you with plenty of room to take along larger items.

Generator as standard equipment:

"Full power" while traveling, tailgating or dry camping. Onan generator option available.

Wide fiberglass running boards:

Be sure footed while entering and exiting the cab. The wider running boards also protects the bulkhead wall from road debris.

Big benefits for new owners

Owners club discounts and more — A free one-year membership in the Coachmen Owners Association comes with the purchase of any Coachmen product. This add-on value not only provides a host of travel services and campground discounts, but also a 24/7 online service that locates needed services while offering member savings at more than 180,000 merchants across the country. And, of course, the COA is an excellent way to share experiences with other Coachmen owners through rallies and caravans.

Free roadside assistance

Coachmen provides one year of free Travel Easy™ emergency roadside assistance for those who buy a new Coachmen RV. Administered by Coach-Net®, this service gives Coachmen owners 24/7 access to operational, technical and emergency road services, including towing, fuel delivery, jump starts, lockout service, tire changes, mobile mechanic and unlimited technical advice. So no matter where you go, we're ready to help!

Motorhome shown with optional Twilight full body paint.

AMERICA'S NUMBER ONE CLASS C MANUFACTURER.

CONCORD

CONCORDLE
by Coachmen

GVWR (Gross Vehicle Weight Rating): The maximum permissible weight of the unit, including the unloaded vehicle weight (UVW) plus all fluids, cargo, optional equipment and accessories. For safety and product performance, do not exceed the GVWR. **CW (Curb Weight):** The weight of the unit without factory or dealer installed options, plus allowance for the weight of full fuel capacity. The "payload capacity" for all other fluids, cargo, occupants, optional equipment, and accessories can be determined by subtracting the CW from the GVWR. **GCWR (Gross Combined Weight Rating):** The maximum total weight of the loaded unit, plus a tow vehicle. This includes the weight of both the unit and tow vehicle, fuel for each, all other fluids, cargo, occupants, optional equipment and accessories. **Wider Widths:** Numerous Coachmen floorplans feature the "wide body" design concept, which gives you significantly enhanced interior living space and innovative floorplans.

In making your purchase decision, you should be aware that a few states restrict access on some or all roads within the state to vehicle with a maximum 96-inch width, although special road usage permits may be available. Vehicles up to 102-inches in some width are permitted in the vast majority of states. You should confirm the road usage laws in the states of interest to you before making your purchase decision. If width is of concern to you, we invite you to consider the broad array of other Coachmen models offers in the standard 96-inches width.

Important Note: All capacities are approximate, and all dimensions are nominal. Coachmen motorhomes are designed to allow for a wide variety of uses, extended trips with two people or short trips with multiple people. Accordingly, each unit allows ample room for sleeping, seating, fluids and cargo. While the customer is the beneficiary of this design, the customer also bears the responsibility to select the proper combination of passengers, cargo, load, and tow vehicle without exceeding the chassis weight capabilities. Consumer may need additional braking capacity to tow loads greater than 1,000 pounds.

Seat belts should always be worn for passenger safety. Seat belts are provided at most locations to allow convenience in selecting which seat to occupy. However, it is not intended that all seating positions equipped with a seat belt may be occupied while the vehicle is in motion, without regard to other weight factors.

All Coachmen motorhomes are designed to ensure that the number of passengers allowed while the vehicle is in motion will always at least equal the stated sleeping capacity. Though extra seat belts may be provided, for your safety and the proper operation of your vehicle, limit your passengers to the number allowed by the Net Carrying Capacity of your vehicle.
