At Barletta Pontoon Boats, our focus will always be on **YOU** and how we can make our products and **YOUR** Barletta ownership exceptional. From the time you first come into contact with Barletta, until you join our family as an owner, Barletta has strived to build a **world-class product and experience** that will provide years of enjoyment with your loved ones. We would be honored to welcome you to the Barletta Pontoon Boat family.

WE'VE GOT YOUR BACK

Ask any of our dealers or customers and they'll tell you, NO ONE stands behind their products like Barletta Pontoon Boats.

MOST SEAWORTHY RIDE - BAR NONE

Built like a skyscraper, the heavy-duty patented chassis offers a smooth and dry ride. Full-length wave tamers, two-stage lifting strakes, reinforced nose cones, I-beam and I-box construction and VIP technology combine for an on-water experience like never before.

MOST STANDARD FEATURES

Barletta not only stands for quality and unmatched service; we also believe in value. You should not have to pay extra for typical pontoon features, that's why each Barletta is built with more standards than any pontoon in the industry.

PRE-DELIVERY INSPECTION

An industry first, our White Glove Pre-Delivery Inspection process is performed on every Barletta that's built. The multi-page check list covers even the smallest details making sure your pontoon meets the Barletta standard for quality before it leaves the factory.

PET FRIENDLY

Your pets are family and they should come along for the ride. That's why we have included pet amenities such as built-in pet dishes, a stowaway table that offers ample shade and the new Doggie Dockview pet window in the port and bow gates.

INDUSTRY'S BEST WARRANTY

With an industry-best Limited Lifetime Structural Warranty and the 10 Year Bow to Stern Warranty, the best dealer network in the industry and Barletta's world-class Customer Service team on your side, you'll be spending less time worrying and more time relaxing.
