Cougar X-Lite has Set the Standard

OUTDOOR COOK CENTER

Cougar X-Lite takes good ideas to the next level. The Cougar 29RBK features a full service outside kitchen which includes a refrigerator, stove top, sink and extendable countertop all without sacrificing valuable sleep space.

You'll appreciate the extra livability of X-Lite's larger slide rooms.

X-Lite's 38" deep slide room

Unlike most lightweight travel trailers, Cougar X-Lites have full depth 38" slide-outs.

Coupled with a conveniently located LP quick connect, X-Lite offers an optional BBQ grill to make campsite cooking quick and easy.

Cougar X-Lite comes outfitted with a black tank flush hook-up. This feature keeps the black tank clean and trouble free.

Exclusive to Cougar X-Lite, the Comfort Camp I mattress is built with a residential look and feel, is double quilted and has double the support of the industry standard mattresses.

U-Shaped dinettes are standard in most Cougar X-Lite travel trailers.

X-LITE VAULTED CEILING

The upgraded look and feel of X-Lite's vaulted ceiling provides more head room with extended ceiling heights without effecting overall unit height.
