COUGAR FIFTH WHEELS

Innovative designs, quality construction, residential finished interiors, and luxury features. Cougar continues to focus on the things most important to our customers. With a floorplan to match everyone's needs, Cougar is the brand you can rely on.

PAGES 4-14

COUGAR 1/2 TON FIFTH WHEELS

Taking the quality of a Cougar and matching it with the size and weight your vehicle can tow! 1/2 Ton Cougar offers multiple 1/2 ton towable fifth wheel floorplans.

COUGAR 1/2 TON TRAVEL TRAILERS

Continuing to grow in floorplans and features, 1/2 Ton travel trailers are engineered to give you more for your money while focusing on staying lightweight and budget friendly.

PAGES 5-19

*Since 1998,
Cougar has been the pinnacle of excellence in the RV industry
earning the DSI award for consecutive years. Confidence why...*

THE DSI (DEALER SATISFACTION INDEX) AWARD RATES THE LEVEL OF SATISFACTION THE DEALERS HAVE IN A MANUFACTURER. IT RATES MANUFACTURERS IN MANY AREAS SUCH AS: PRODUCT DESIGN, PRODUCT RELIABILITY & QUALITY, WARRANTY SUPPORT, AND PARTS SUPPORT.

MB BEST-IN-CLASS

What does "Best-In-Class" mean for a suspension system?

It means that all suspensions are not created equal. Like all other products, there are unique product segments relative to price and quality demands.

CRE/3000 RUBBER EQUALIZER

FOR SUSPENSIONS, IT LOOKS LIKE THIS:
UPGRADED EQUALIZER = IMPROVED SUSPENSION TRAVEL OVER STOCK STANDARD, STOCK STEEL ROCKER ARM & LEAF SPRINGS

ZERO DEGREE TESTED

Cougar has been zero degree tested. The Polar Package Plus allows you to camp to zero degrees without worry of your tanks or water lines freezing up.

We also add upgraded insulation to our slide-out floors to control the hot and cold exchange and unlike our competition we merge our skirt metal to the I-Beam for complete enclosure of your fifth wheel underbelly.

ASK THE OTHER GUYS IF THEY HAVE BEEN TESTED!

PATENTED COUGAR HITCH VISION

Hitch Vision moves the dial forward in what customers expect from an RV. There's no looking back!

Hitch Vision gives the fifth wheel user complete confidence to back up and align their truck to Cougar's extended hitch pin using only the built-in mirror for guidance. Automotive LED docking lights, which can be controlled by the E-Z Camp Cougar Remote, allow you to load or unload camping gear day or night. (Hitch Vision also comes in handy when using the E-Z Camp Cougar Remote to raise and lower landing gear.) Once you've used Hitch Vision, "there's no looking back" to the inconvenience of turning or straining to see your fifth wheel.

MAX TURN FRONT CAP

Combining focused design and unique product specifications, Max Turn Technology is the leader in optimum turn radius.

Unlike the competition, Cougar uses continuous contoured tubular steel for optimum strength and support behind the engineered tapered fiberglass front cap.

Also, Cougar is equipped with a heavy duty extended hitch. Combined - Max Turn Technology makes turning and maneuvering a breeze.
