# LIKE NO OTHER

MODEL YEAR 2024

# REVOLUTIONIZING THE PONTOON INDUSTRY

Founded in 2017 with an unwavering commitment to a dealer-centric and customer-focused philosophy, Barletta Pontoon Boats emerges as a beacon of innovation in the pontoon manufacturing industry. We set out to shatter conventional boundaries and embrace a fresh perspective on boat design. Our mission is simple: to create meticulously crafted, top-quality boats that redefine comfort and deliver an unparalleled on-water experience.

Join us on a journey where doing things differently is not just a motto, but a way of life, as we continue to pioneer world-class products and experiences in the world of luxury pontoon boating.

### MOST SEA-WORTHY RIDE ON THE WATER TODAY

Built like a skyscraper, the heavy-duty patented chassis offers a smooth and dry ride. Full-length wave tamers, two-stage lifting strakes, full-length solid keel strip, reinforced nose cones, I-beam and I-box construction and VIP technology combine for an on-water experience like never before.

### MOST STANDARD FEATURES

Barletta not only stands for quality and unmatched service; we also believe in value. You should not have to pay extra for typical pontoon features, that's why each Barletta is built with more standards than any pontoon in the industry.

### PRE-DELIVERY INSPECTION

An industry first, our White Glove Pre-Delivery Inspection process is performed on every Barletta that's built. The multi-page check list covers even the smallest details making sure your pontoon meets the Barletta standard for quality before it leaves the factory.

### PET FRIENDLY

We believe your pets are family and should come along for the ride. That's why we have included pet amenities such as built-in pet dishes, a stowaway table that offers ample shade, scratch & tear resistant vinyl, and the Doggie Dockview in the port and bow gates.

### INDUSTRY'S BEST WARRANTY

With an industry-best Limited Lifetime Structural Warranty and the 10 Year Bow to Stern Warranty, the best dealer network in the industry and Barletta's world-class Customer Service team on your side, you'll be spending less time worrying and more time relaxing.

## RECOGNIZED THROUGHOUT THE INDUSTRY AS A LEADER

# Craftsmanship

*The Most Robust Pontoon Build in the Industry*

The way a pontoon is built affects the ride you get from the boat. Each Barletta is built with your comfort and safety in mind. Thoughtful features and quality materials throughout will give you confidence that you have invested in the best.

### Extra Long Heavy Duty Brackets & Risers

Longer and stronger, our risers provide immense structural support.

### Extra Thick Full Length F-Channel

Securing the floor to the deck, but also protecting against "dock-rash".

### 7-ply Marine grade Plywood

The industry standard for 60+ years - sound-deadening, durable and dependable - covered by a lifetime warranty.

### Extended Motor Pod

Better performance, better functionality and eliminates the need for tilt restrictors.

### Heavy-Duty Reinforced Nosecones

Built for big-water and higher horsepower applications, Barletta's nosecones are internally reinforced to help cut through the water.

### Splash Fins

Arguably the most robust in the industry, our splash fins divert the water down and away from you - keeping you dry in the wettest conditions.

### Box/I-Beam/C-Channel Crossmembers **PATENTED**

A hybrid combination of crossmembers creating the strongest deck structure in the industry.

### Dual-Stage Lifting Strakes **PATENTED**

Designed to get you up on top of the water quickly and efficiently. Includes multi-species drainage ports.

### V.I.P. Technology **PATENTED**

Quietest, rattle-free, smoothest ride compared to ANY 25' boat in the market.

### DoggieDockView Transparent Gate **PATENTED**

Clear view from the captain's chair or for your furry friend, and industry exclusive.

# Reserve

Exclusive Luxury.

Discover the next generation of refinement with the Reserve. Everything you touch is crafted with elegance and the Barletta DNA is embedded throughout. The ultra-chic exterior will transcend you into an experience that is unmatched on the water. Interior touches such as yacht-style hardware create a new standard in the pontoon market. Combined, the Reserve is the intersection of fantasy and reality.

**Reserve V26M  
Meridian-Lounge**

Barletta Boat Company, LLC, reserves the right to make changes to product, product availability and/or product specifications at any time to any model without notice or obligation. Images may show optional equipment available at additional cost.

# Leggera

Ultimate Luxury.

The Reserve Leggera is the light version of the flagship Reserve. Don't be fooled though, there is nothing "light" about this pontoon boat. Custom painted fiberglass rail panels, sport arch, upgraded furniture and audio package will turn heads no matter the body of water you choose to spend your time on.

**Reserve Leggera R26UC

# Lusso

Premium Luxury.

The Barletta Lusso will leave you breathless with anticipation to get out on the water with Italian-inspired luxury furniture, high-end electronics, and classic styling that will turn heads. No more “noise fatigue” with Barletta’s patented underdeck structure featuring V.I.P. Technology – providing the smoothest, quietest, rattle-free ride in the industry – bar none. Offering more standards than the competition, and a refined list of options, the Lusso is built with your on-water experience in mind.

# Corso

Sporty. Modern. Luxury.

Built for those who want everything that makes Barletta great, with a sporty, aggressive stance. Sleek exterior lines with a race-car feel, chrome badging, the best helm in its class, and interior furniture featuring three interior accents to add the perfect pop of color, creates an upgraded experience at an astonishing price point. You'll be the leader of the pack no matter what body of water you call home.

# Cabrio

Affordable Elegance.

The perfect family staycation within the Barletta lineup. The newly renamed Cabrio touts the same high-end fit and finish, innovation and performance that Barletta is known for - but at a value driven price-point one step lower than the Corsa. Offering a wide variety of family friendly floorplans, including Barletta's fishing friendly Cast-n-Cruise floorplans, the Barletta Cabrio is the best value in its class.

# Aria

Value-Driven Elegance.

Veteran or novice there's no better, value-driven way to join the family of the marine industry's premium pontoon boat brand. The Aria is Barletta, through and through - the most stylish, most comfortable, best riding boat in its class. More standards and the right options make the buying process simple. Backed by Barletta's industry-best warranty and customer experience team, and you have a winning combination that will provide years of care-free enjoyment.
