# THE BOLD STANDARD

It's a new era for Lowe®. An era where we lead the way in smooth, powerful performance, unparalleled fishability, and quality backed by decades of boat-building experience in the heart of America. We're setting a new bar for boats that let you fish, hunt and work the way you want. See for yourself why Lowe is **the bold standard for adventure.**

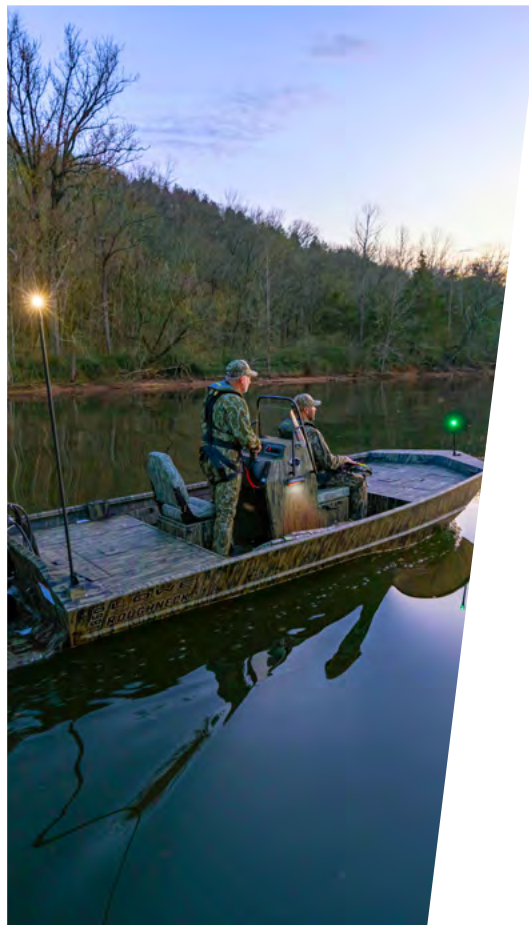

NEW FOR 2025

# ROUGHNECK SERIES

Lowe's Roughneck Series has long been trusted as an ultra-durable, always reliable fishing, hunting and utility boat for sportsmen across the continent—and now they're better than ever.

New for 2025, we've up-sized the consoles and added options for a USB port, tachometer, phone holder and stealthy red LED lighting. A larger gun box features enhanced weatherproofing, and the improved sponson design features Roughliner traction.

Finally, we're offering two new camo options—Mossy Oak® Bottomland® and Mossy Oak Shadow Grass Blades® as well as a new River Sand base color. Long-time favorites Mossy Oak Break Up® and Dead Grass Green return for 2025.

## FIND THE RIGHT BOAT FOR YOU

On the Lowe website, you'll find an easy-to-use boat finder that will help you select the model that's perfect for you and your family.

## QUALITY CONSTRUCTION

For over half a century, Lowe has been perfecting its boat-building processes. From thoughtful design to premium raw materials to the finest aluminum welders, Lowe brings the peace of mind you expect, the value you need, and longevity proven by the thousands of Lowe boats passed down to the next generation.

### V-Tech™ Deep-V hull

- Reverse chines provide extreme bite when turning and stability at rest
- Extruded full-length keel keeps the boat tracking true even in windy conditions
- Maximized outboard efficiency for a smooth, quiet ride

### Premium marine-grade paint

- Hulls are hand-sanded, cleaned, and acid-etched
- Premium marine-grade polyurethane enamel
- Multi-layer baked-on painting process with sealer coat

### Quality and value that lasts

- Lowe Lifetime Limited Warranty\*
- Multiple power choices
- Excellent resale value

### Proven all-welded durability

- Continuous, all-welded hull seams for extreme durability
- Among the finest, most experienced aluminum boat welders in the industry
- H34 marine-grade aluminum for a lifetime of rugged performance

### ProTrac™ Mod-V hull

- High- and dry-riding variable V hull lifts the boat when underway and reduces spray
- Reverse chines with spray rails reduce splash and increase control when turning
- Pressed-in running strakes keep your boat running true from trolling to on plane

## A WARRANTY YOU CAN COUNT ON

Lowe Boats is known for dependable products, but should an issue occur, our goal is to make your experience hassle-free.

**Hull Seams Welds Limited Warranty:** Lowe will repair or replace any structural defect in material or workmanship in the hull seams reported during original purchaser's ownership.

**Hull Limited Warranty:** Lowe will repair or replace defects in material or workmanship on factory-installed components if reported within three years of first retail purchase, if not otherwise referenced or included in exclusions.

**Components Warranty:** Your Lowe dealer can provide complete warranty information for all accessories & components not manufactured by Lowe for three years.

**Transferable Warranty:** Lowe boat warranties are transferable through your Lowe dealer.

**Superior Resale Value:** According to leading boat publications, Lowe ranks as one of the highest in resale value. So when you're ready for your next Lowe, you'll get more from a trade or sale.

*\* Limitations and restrictions apply. Transferable warranty not applicable to paint warranty. Visit [loweboats.com](http://loweboats.com) or your local Lowe dealer for details.*

# MOD-V

The biggest decks in their class, massive rod and tackle storage, and smooth, fast performance, all backed by a 50-plus year history that has earned the respect of anglers and families across the country. That's the story of Lowe Mod-V boats. Headed up by the legendary Stinger Series, these highly durable and incredibly capable all-welded aluminum boats will get you to the fish and put them in the boat.

## 8-SERIES

Fast, fishable and tourney-ready, the Low Stinger 8-Series Mod-V bass boats bring premium features together with top-echelon performance and a bold new style that will turn heads on the water. Built on extended pad hulls for lightning-quick hole shots, they will supercharge your fishing game whether you're a weekend warrior or a tournament contender.

### MAXIMUM FISHPOWER

Rods rigged. Tackle organized. Weather checked. On the road before the sun. It's your favorite kind of checklist—one that means that at the end of the day, you'll have fish in the livewell and stories to remember. You don't make compromises when it comes to fishing, and no matter what the day throws at you, you'll be ready if you're in a Low Stinger 8-Series. And when you set that first hook and the fight begins, you know it was all worth it.

## 5-SERIES

Quality, style, and value. The Stinger 5-Series has it all. But most importantly, they put fish in the boat and high fives in the air. This extremely popular family of Mod-V boats has been at the core of the Lowe fishing fleet for decades because it offers an ideal balance of fishability, performance, and reliability. Now available in new colors, including camo.

### MAKING FISHING MEMORIES

Whether you're tossing topwaters or chucking chatterbaits, the new Stinger 5-Series has the fishing prowess you need to land what you target. Massive rod storage keeps your specialized combos at hand. Expansive decks mean extra room to maneuver. And tourney-grade livewells keep the fish frisky. With all these angling advantages—plus next-level performance—you'll always have time for one more last cast.

# LEGACY

Every Lowe comes with half a century of fishing experience behind it. The Legacy is a snapshot of that history, with classic styling that harkens back to the good old days—but with modern design features that let it fish and perform on the cutting edge of boating.

## | LEGACY

### 50 YEARS OF FINE FISHING

Some things never change, like the simple fishing traditions you grew up with. The feeling of cruising across the lake and pulling up into a glassy cove early in the morning—and that first cast? There's nothing like it. The Lowe Legacy brings all those memories back, and it's got everything you need—comfortable fishing seats, a big livewell, and generous storage—to let you live those days over and over.

# SKORPION

The Skorpion Series delivers incredible fishability, prime performance, and legendary Lowe durability in a high-value package that anyone can enjoy. Outfitted with a MotorGuide trolling motor, two fishing seats, a big aerated livewell, ample storage, marine-grade carpet and a brilliant finish, it's ready to host your fishing adventures for a lifetime.

17

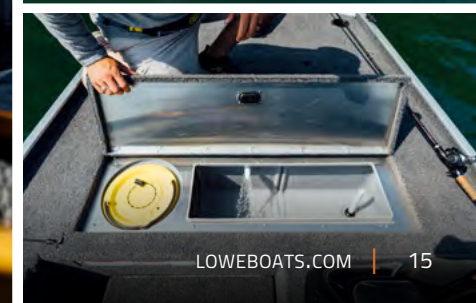

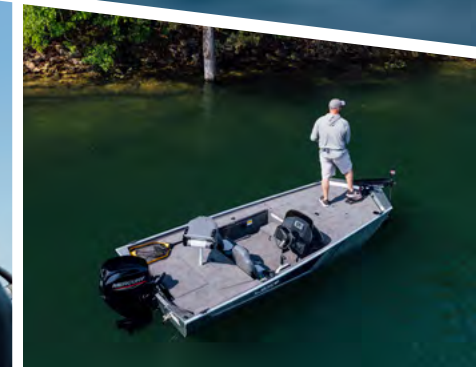

16

STICK STEER

## STRIKE FIRST WITH SKORPION

You don't need 200 horses and supercomputers for fish finders. You need a boat that fishes well and is easy to own. That's why we built the Skorpion Series. It's got everything you need and nothing more—a big livewell, comfortable seats, reliable power, and durable all-welded construction. Because it's time to fish, not time for showing off.

# BAY

The Bay Series unlocks inshore adventure and releases the fierce angler inside you. These fast, shallow-drafting bay boats pack fishability, performance, and all-welded aluminum durability into a stylish package that looks as good as it fishes. Backed by 50 years of fishing experience, the Lowe Bay boats are the inshore machines of the future, right in the here and now.

22

20

18

## UNLOCK YOUR INSHORE WARRIOR

You live to see reds tailing in the grassy flats as the sun rises over the marsh. And you know that everything has to be just right to get you there, so that when you cut the engine and stand to cast, all the puzzle pieces fall into place. The Lowe Bay Series brings those pieces together—with a commanding T-Top-ready center console, stainless grab rail, fast Mod-V pad hull, 30-gal. livewell, gasketed storage, and customizable leaning post—resulting in a boat designed to let you experience the inshore world like never before.

# OUTLET

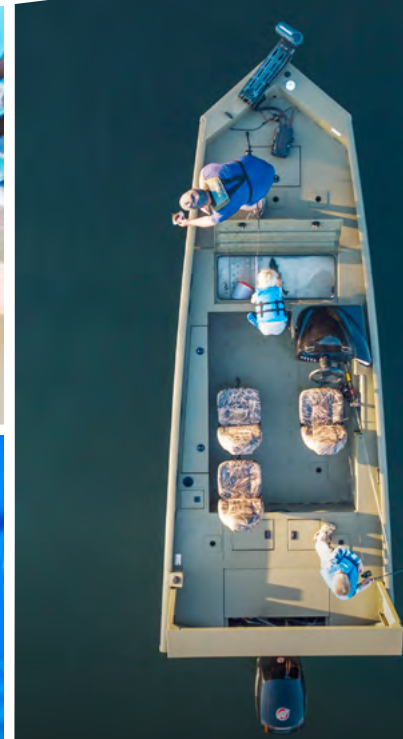

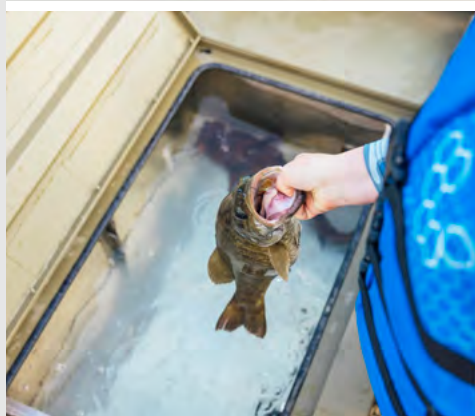

Is chasing rod-bending, shoulder-popping whiskered fish your idea of a good time? We've built the Lowe Outlet to feed that need. This 20-foot cat-catching beast is wide and stable, and up to 150 horses means it has the power and range to get to the deep holes where the big ones live.

| 20

## A BIG BOAT FOR BIG CATS

Nothing pulls like a monster blue cat heading back to the bottom. With a cavernous 60-gallon livewell, four cockpit pedestal seat bases, a textured, easy-to-clean floor, and a standing aft rod-rack option, the 20 Outlet is prepped and ready to put big cats in the boat.

# DEEP-V

Why choose a Deep-V? Deep-V boats provide a smooth, dry ride in rough water, making them ideal for Midwest and northern anglers that target walleye, bass, musky, trout, and more. The Lowe Fishing Machine and Fish & Ski series are durable, comfortable boats with the fishing, cruising, and tow-sport features to make everyone look forward to thrilling weekends on the lake.

# FISHING MACHINE

## WALKTHROUGH

The Lowe Fishing Machine WT (Walkthrough) Series is ready to pursue your favorite species, whether that's walleye, bass, pike, trout, or musky. These fine fishing machines are built for one thing—to put fish in the boat. But we don't have to tell you that. Let fifty years of reliable fishability do the talking.

- 1800 WT
- 1775 WT
- 1675 WT
- 1625 WT

### IF YOU FISH IT, THEY WILL BITE

The downriggers are out, and the walleye are lighting up the dash-mounted graph. It's choppy this afternoon, but the wide beam keeps your footing stable as you monitor your gunnel-mounted rigs. And there it is—click, click, BOOM! You grab the rod, apply pressure, and when the drag screams, it's time to get the livewell ready. There's nothing like it—and nothing you'd trade for it.

# FISHING MACHINE

## SIDE CONSOLE

There is perhaps no more versatile fishing boat in the Lowe lineup than the Fishing Machine SC (Side Console). A roomy, open cockpit means space to fish however you want, whether you're casting for bass in the expansive reservoirs of the south or trolling for walleye in the big natural lakes of the north. Massive livewells, cavernous storage, and a smooth, dry Deep-V ride mean you're set for success.

1800 SC  
1775 SC

1675 SC  
1625 SC

### ALL WATER. ALL FISH. ALL DAY.

Fishing is life. And making boats that make fishing easy is what we do. Example: the Fishing Machine SC. With storage everywhere you turn for rods, gear, and fish (in the livewell), it's laid out to put 'em in the boat. And with four movable, folding, tournament-style fishing seats and six seat base locations, you can fish where you want in maximum comfort.

## FISH AND FUN IN THE SUN

The Lowe Fish & Ski Series is built for nonstop action, unrivaled comfort, and extreme reliability. The rugged, proven, all-welded aluminum Deep-V hull provides a smooth ride, and reverse chines throw splashing water down instead of over the gunnels. A protective walk-through windshield makes the ride even more comfortable, and plush seating throughout the boat accommodates all your guests.

# ROUGHNECK TILLER

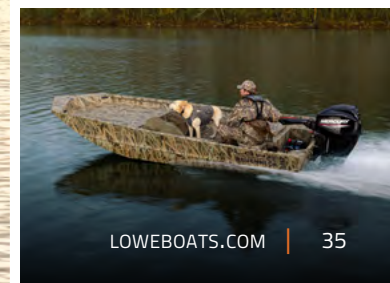

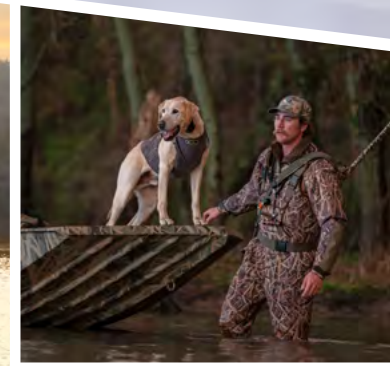

Easy to use and eager to work, the Lowe Roughneck Tiller makes any on-the-water job a breeze. Whether you're building docks, soaking bait for catfish, throwing decoys, or casting for bass, these no-nonsense boats are primed to fish and built to work.

2070  
1860  
1760  
1660

## TOUGH ENOUGH

The rugged and ready Lowe Roughneck Tiller Series is built on a smooth Mod-V hull that transitions to an almost flat bottom at the stern, providing a smooth ride paired with incredible stability. Features include a massive bow deck, gunnel accessory channel, and optional bow livewell and trolling motor wiring. Standard in Dead Grass Green or River Sand. Also available in new Mossy Oak Bottomland or Mossy Oak Shadow Grass Blades.

# ROUGHNECK

## CENTER CONSOLE

Center console functionality meets incredible durability in these rugged fishing, hunting, bowfishing, and work boats. Rock-solid stability and all-welded construction anchor the Lowe Roughneck Center Consoles, with wood-free Mod-V hulls and big raised fore and aft casting platforms—and there's plenty of room for your gear, so you can spend the day hunting, fishing, or working. Standard in Dead Grass Green or River Sand. Also available in new Mossy Oak Bottomland or Mossy Oak Shadow Grass Blades.

2070 CC

### ONE BOAT TO DO IT ALL

You want a boat that works. No bells and whistles, just a boat that does the job. Any job. That's why you choose the Lowe Roughneck SC. With a convenient side console, comfortable padded seats for driver and passenger, a big bow deck, and optional fishing seats, it's ready to fish, hunt, or work. Are you?

# ROUGHNECK

## TUNNEL JET & PATHFINDER

Tunnel Jet and Pathfinder jons hold a special place in the hearts of river anglers because they go where other boats can't and catch fish that have never seen a lure. Proven all-aluminum Lowe construction means lasting durability and a smooth ride, while an array of options mean you can tailor your Tunnel Jet or Pathfinder to meet your specific needs. Standard in Dead Grass Green or River Sand. Also available in new Mossy Oak Bottomland or Mossy Oak Shadow Grass Blades.

## THE BOATING CLASSIC

There's nothing like that feeling when you slide the Jon boat off the bank and feel the soft cushion of the water as you float into the lake. With a rugged riveted design, a stable flat bottom, and bench seating, you're ready. It's just you and the fish now—and your trusty Jon boat, there every time you need it.

# AURA

The open plan of the riveted aluminum Lowe Aura Jon boats feature a level floor, a large bow deck, and a reinforced transom for ease of fishability. The Mod-V bow and flat bottom contribute to great performance and stability. Under-deck storage and an optional bow seat with receiver mean they're ready to fish, hunt, or work.

1852 MT AURA

1648 M AURA

## IT'S MORE THAN A JON BOAT

Take your standard riveted jon. Add a flat floor for sure footing, and a wide, raised bow deck. Now you've got an Aura. This improved jon boat adds more of what you need to make fishing, hunting, and working even easier.
