MICRO LITE XLT, MICRO LITE & SHAMROCK

Flagstaff

MICRO LITE XLT, MICRO LITE & SHAMROCK

18RB | LEAF WITH TUSCAN CREAM

The Flagstaff Micro Lite XLT is unlike anything in its class. It has a long list of standard features including a full size regular awning, 13,500 AC, LED exterior lights, Euro Style Jalousie windows,

full size furnace and so much more. All of these features and the XLT is still towable by a small SUV or Mini-van makes this trailer sound like a perfect fit.

D3

A. Flagstaff is one of the strongest light weight trailers on the market because the trailers are vacuum bonded on all six sides. The walls, floors, roof and fronts and backs have been vacuum bonded to make sure your trailer is light weight and built to last.

B. Structurally engineered materials makes our vacuum-bonded walls some of the strongest in the industry.

C. Vacuumed bonded floor with 16" on center aluminum floor joists

ROOF CONSTRUCTION

D1. Vacuumed bonded roof with 2" radius

D2. Radius roof foam with built in A/C ducts

D3 4.5" thick roof foam

SHAMROCK 23SS | SEDONA WITH CHERRY

Summer days or rainy nights have little affect on the interior thanks to the fully vacuum bonded exterior. Flagstaff Shamrock is proud to be the only

six-sided vacuum bonded expandable including a vacuum bonded radius roof.

FLAGSTAFF SHAMROCK SERIES

A. The standard King U Dinette in the Shamrock 23SS provides versatile seating options and converts into a large, comfortable 85" x 48" bed.

B. Three Shamrocks are available with a 96" front storage deck: 183L, 19L (shown below), 21SSL.

FLAGSTAFF SHAMROCK SERIES

PEACE OF MIND.

Forest River has yet another exclusive feature to offer: One year of free roadside assistance will be given to every 2011 Flagstaff customer. This is just one more way to say "Thank you" and to ensure an enjoyable traveling experience.

FOREST RIVER ENCOURAGES YOU TO

BUY LOCALLY

FROM YOUR HOMETOWN DEALERSHIP.

Forest River, Inc. strongly encourages our retail customers to purchase from their local dealership whenever possible due to the following factors:

- 1) Our Dealers are as a rule, independently owned and operated businesses. Outside of those customers they personally sold products to, they are not contractually obligated to perform warranty service on Forest River products that were purchased elsewhere. There may be an occasion that you would be required to return to the point of purchase to satisfy warranty requirements.
- 2) Although many dealerships will eventually service products not purchased at their place of business, they will usually take care of their customers and other Forest River customers who are traveling away from their local dealer as they would their own.

3) Local purchases allow a customer to establish a relationship with a dealer close to home. This relationship provides the customer with a convenient location for service and support from a "home town" professional.

4) The opportunity for a thorough PDI (Pre Delivery Inspection) and product orientation is an additional benefit of buying from your local dealer. Further providing the opportunity for refresher courses or the ability to get questions answered much more conveniently.

5) For our Canadian customers, there are also requirements which must be met to bring an RV purchased out of the country to their home. Although not insurmountable, these requirements may involve such things as additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.

6) Forest River's goal is for all RV Owners to fully enjoy their RV experience. In light of this goal, and considering the advantages of buying local, we encourage you to be thorough when determining what product to purchase and which dealer to purchase it from as both are key to your ultimate satisfaction and the realization of your dreams.

Forest River's Hallmark of Excellence **PRE-DELIVERY INSPECTION FACILITIES**

Brought online in 2005, Forest River is proud of its state-of-the-art test facility. This beautiful building blends many of the old tried and true methods of testing our diverse types of RVs with new innovative ways of solving quality issues. Being centrally located to most Forest River manufacturing facilities, this 20,000 square foot PDI (Pre-delivery Inspection) test building gives immediate daily feedback to individual managers. This assures the production facilities that nothing has slipped by the plant's quality assurance personnel and the units are "green" and ready to ship.

Scan this barcode using a QR Reader on your smart phone to learn more about Forest River.

FLAGSTAFF WARRANTY PROGRAM

For details on Flagstaff's complete warranty program, see your Flagstaff dealer. When it comes to backing products with the same quality and commitment it has when it begins the manufacturing process, the only name you have to remember when you're looking for a recreational vehicle is Flagstaff. Flagstaff offers the following additional limited warranties to the original purchasers. Consult written warranty for details.

1. Twelve-year vinyl roof warranty,
2. Two-year fiberglass warranty,
3. Five-year axle warranty,
4. Five-year tent warranty,
5. One-year bumper to bumper warranty,
6. Available second-year warranty
