368RD

Grand Design's Solitude line of Fifth Wheels offer huge countertop space and residential-size pantry storage.

Optional Dinette

368RD

Our new 375RE provides a generous, wide-open space to entertain, converse, relax and rest. The addition of a sliding glass patio door truly opens the space up and provides plenty of warm, natural lighting.

379FL

Our Master Suite's are gorgeous and spacious. They feature roomy closets, mirrored sliding doors and are prepped for a washer and dryer.

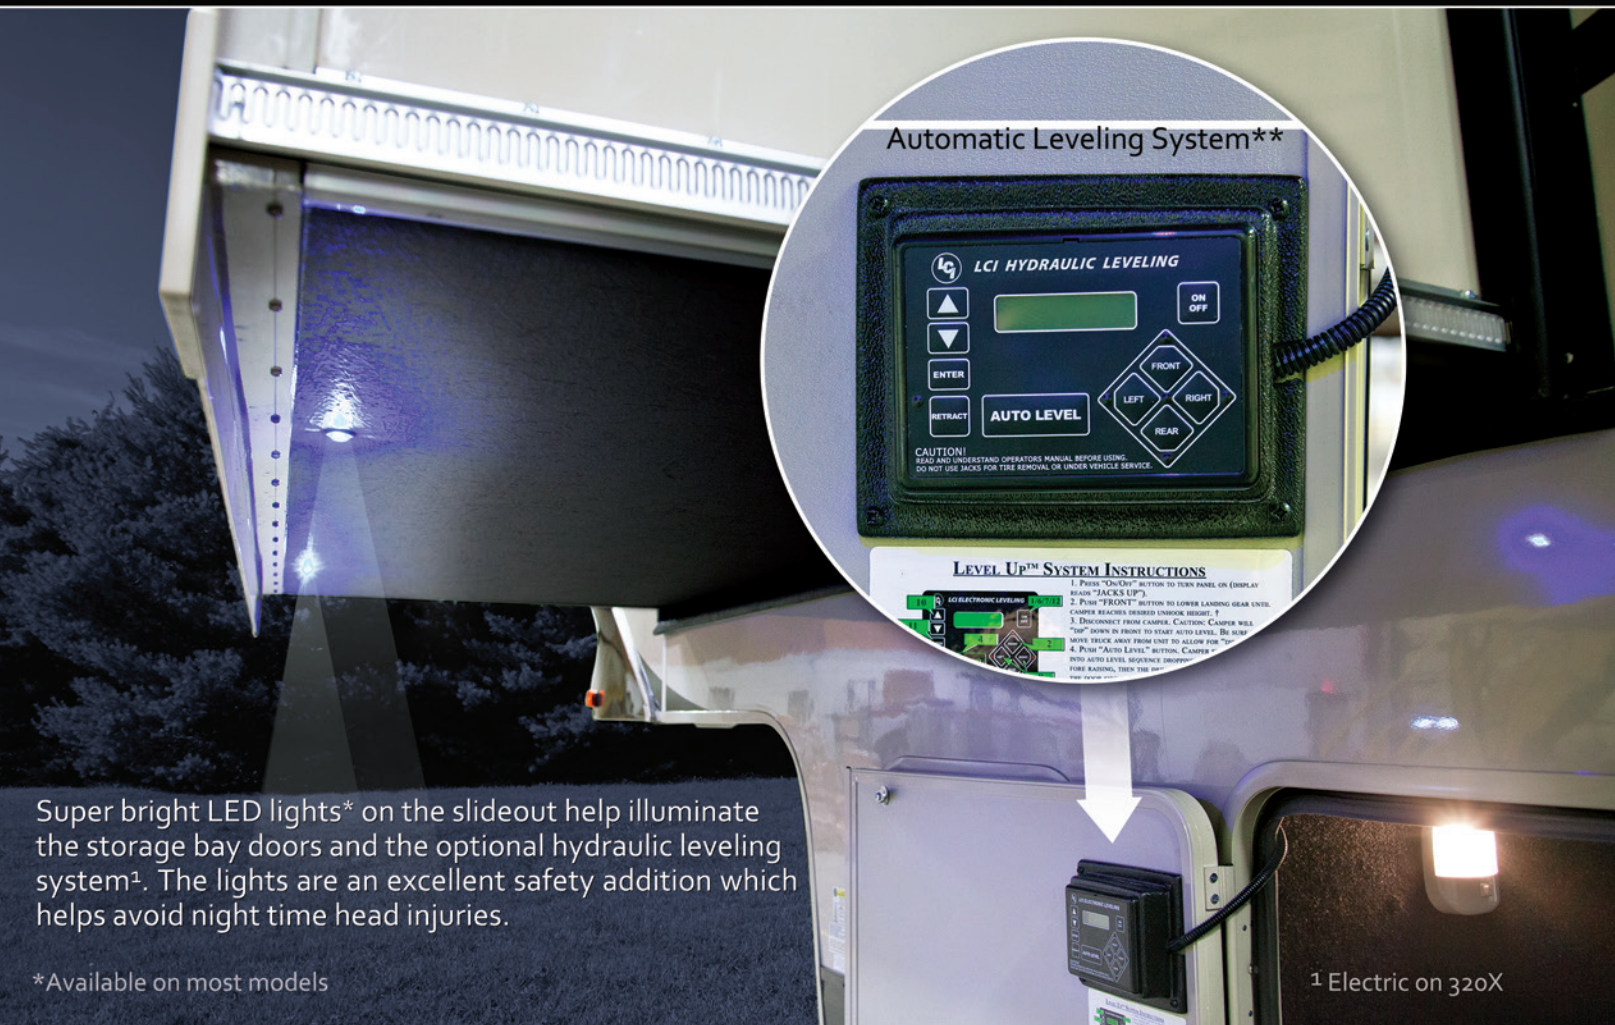

The under-bed storage compartment is completely finished inside and contains a jewelry tray plus a base-mounted lock box. The retractable ottoman is the perfect height to sit and comfortably dress.

\*320X Bath configured differently (See P.9)

The Solitude Storage Bays and Utility Center are well lit and easily to access via our unique split cargo door system. This is the "cleanest" exterior storage bay in the industry.

### Automatic Leveling System\*\*

#### LEVEL UP™ SYSTEM INSTRUCTIONS

1. Press "On/Off" button to turn panel on (display reads "JACKS UP").
2. Push "FRONT" button to lower landing gear until camper reaches desired unhook height.
3. Disconnect from chocks. Caution: Camper will "tip" down in front to seat auto level. Be sure to move chocks away from unit to allow for "tip".
4. Push "Auto Level" button. Camper's auto level sequence (display shows "LEVELING") will begin. When the "level" message appears, the leveling is complete.

Super bright LED lights\* on the slideout help illuminate the storage bay doors and the optional hydraulic leveling system<sup>1</sup>. The lights are an excellent safety addition which helps avoid night time head injuries.
