

MEET THE VISTA® 33K

Ideal for relaxing or entertaining, the 33K features a guest bathroom, updated styling and legendary Winnebago® quality.

Mid-Coach Guest Bath The second bathroom is ideally located for guest or family use, with the main bath comfortably located adjacent to the rear bedroom.

Winnebago Connect™ This easy, intuitive LED touchscreen interface lets you control and monitor major systems from inside the coach or remotely via an available app on your smartphone or tablet.

Simply the Best Best in class features including highest exterior storage capacity, largest holding tanks (enclosed and heated for extended-season camping)* and most expansive views, thanks to its 1-piece windshield and streamlined A-pillars.

Updated Galley Meals and entertaining are more enjoyable with new Corian® galley countertops, new contemporary shaker-style cabinetry and upgraded plumbing fixtures.

Proven Ford® F53 chassis You'll feel instantly at home in the 33K's automotive-style cockpit. Powered by Ford's 7.3-liter V8 engine, the 33K comes with a suite of safety features, including Hill Start Assist, and Electronic Stability Control.

Legendary Winnebago Build Quality The 33K features our trademark SuperStructure® steel construction and fiberglass roof. Even the entry door is of superior quality, with heavy-duty construction and hardware — designed, engineered, and manufactured by Winnebago.

Upgraded Options For the ultimate in ride quality, SumoSprings® suspension enhancement can be factory-installed, so you know it's done right. The optional powered StudioLoft™ bed is larger, so it comfortably sleeps two. And the available Winegard® 360+ HDTV Antenna with WiFi and 4G LTE will keep you connected on the road.

* Winnebago recommends following the winter use guidelines and winterization procedures outlined in your owner's manual whenever camping in freezing conditions.
