That's 730 days. In addition, our 3-year structural limited warranty has you covered for 3 camping seasons or 1,095 days. You won't find a better limited warranty in the business, because the only strings that we attach are those that deliver the ultimate in reliability. That's the Jayco difference. So go explore. For a copy of our 2-year limited + 3-year structural limited warranty with complete terms and conditions, please contact your local Jayco dealer.

JAYCOMMAND[®]

The JAYCOMMAND[®] system puts RVers in full control of their unit.

The system was custom-built by our product development teams so that owners can monitor and control key RV operations from a phone or a tablet. (JAYCOMMAND[®] is optional on select Jay Feather products).
