Micro Minnie – The compact camper without compromise

The compact camper without compromise, Micro Minnie is big on features and ready for wayfaring. At seven feet wide and with multiple open floorplans to choose from, experience the camper life the way you want.

- » Ample galley space, a sink, double door refrigerator, convection microwave, and even a cook-top makes cooking its own rewarding adventure.
- » Built to be a breath of fresh air, every Micro Minnie floorplan hosts a spacious mattress and windows designed for cross ventilation and a great night's sleep.
- » Patio speakers and a power awning featuring LED lighting let you take the fun outside with the touch of a button.
- » Each of the 10 versatile floorplans are packed with enough added exterior storage that packing is a snap.
- » Leave cumbersome extended mirrors behind at 7-ft.-wide, Micro Minnie offers the greater visibility that makes towing and turning hassle-free

Minnie – Compact camper. Big adventure.

It may go by Minnie, but it's designed for big outdoor adventure. An easy-to-pull, lightweight camper, Minnie maximizes its compact space with features that challenge the conventional idea of what a travel trailer can be.

- » Whatever creatures you meet outdoors, don't forget your creature comforts inside. With Minnie's flexible sleeping arrangements, spacious galley, and large private bathroom, relax and rest easy.
- » Full, easy-to-clean linoleum surfaces and a light, stylish interior will brighten any trip.
- » The 10.3 cubic ft. 12V refrigerator, convection microwave, stainless steel sink and three-burner cooktop are just some of the many stars of the full kitchen.
- » From game night to the big game, bring your entertainment outdoors with external patio speakers and external TV hookup.
- » Master packing day and leave nothing behind with 44 cu. ft. of exterior storage – the best in its class.

Micro Minnie – The compact camper without compromise

Micro Minnie's light interior and modern finishes make each floor plan an inviting space for every camper.

Standard 10.3 cu. ft. 12V refrigerator and modern cabinetry add style and functionality to Micro Minnie's interior.

Micro Minnie's EZ Glide Sleeper folds down to provide comfortable sleeping for two adults.

The redesigned murphy bed in the 2108DS floor plan allows the bed to easily fold up and out of the way.

TPO ROOFING

A durable, bacteria-resistant material protects against debris, algae, ultraviolet and chemical exposure. Its flexible membrane allows it to withstand punctures, tears, and impact-related damage (N/A on HIKE models).

LED EXTERIOR LIGHTING

Features reverse lights in rear tail lights and blinking cap lights (on select models).

ROOF-MOUNTED SOLAR PANEL(S) STANDARD

A quiet alternative to generators, this standard offering allows flexible camping options, and lower emissions while providing uninterrupted power to lights, furnaces, fans and DC appliances.

Each unit is also pre-wired for side-mount solar prep to expand your solar capabilities.

COLOR-CODED WIRING

Easy-to-trace circuits simplify electrical and other system troubleshooting, reducing service time.

AZDEL MATERIALS

A durable, lightweight sidewall composite protects from moisture and high temperatures to increase RV lifespan by reducing the risk of mold, decay and rot.

TOWABLES BRAND STORY

Brand Promise

Winnebago gives you a community to belong to that pushes the boundaries of every adventure.

The Winnebago Towable Legacy

Towables are in Winnebago's DNA. In fact, Winnebago was founded in 1958, originally as a travel trailer manufacturer. Since then, we have evolved our towables offering to not just meet, but exceed, the demands of our consumers. Inspired by our founder, industry pioneer John K. Hanson, we continue to push what's possible in the towable category through relentless innovation.

Our Brand Positioning: United and Boundless

We are for the boundless adventurers and travelers who have a drive for experiencing what's next with those who matter to us most. Winnebago provides a community united by pride and a sense of belonging. With our commitment to quality, innovation and consumer trust, we take you further, for longer. So that you can always be bound by the adventure ahead.

Putting the Customer First

Our owners have always been at the center of our designs. We make connections with our community to collect feedback on our products, ensuring we continue to innovate and meet consumers' new needs. We pioneer the highest quality towable with each floorplan specifically designed for different types of travel. So, for your next adventure, we have the right rig made for you.
