

# THE NEW VIEW | NAVION

**Built to carry more. Designed for going farther.**

The Winnebago View® and Navion® set a new standard for luxury Class C travel with a factory-installed lithium power system, the strength of the Mercedes-Benz® 4500 chassis and modern style inside and out. Enjoy impressive cargo capacity up to 2,250 lbs and advanced off-grid energy, so you can pack more, stay out longer, and explore with confidence.

## Mercedes-Benz Sprinter Chassis Confidence

- **Mercedes-Benz® Sprinter chassis with 2.0L turbo-diesel engine** delivers proven performance, efficiency, and long-term reliability.
- **Advanced Driver Assistance Package** with a digital rearview mirror, adaptive cruise control, blind spot monitoring system, active lane keeping, and collision avoidance provides confidence on the road.
- **Impressive cargo-carrying capacity** to haul up to 2,250 lbs of gear, water and essentials.

## Luxurious, Flexible Living

- **Smart, Spacious Interiors** with thoughtfully designed floorplan options like the Murphy+ bed (24T & 24D), or the Flex bed system and gear garage (24D & 24R) that maximize space and functionality without compromising style.
- **WinnSleep® Comfort System** – Exclusive Winnebago mattress technology delivers exceptional support and breathability for better rest, night after night.
- **Premium Finishes & Décor** – Elegant new interior colorways (Hearth and Lumen), soft-touch seating, lighted galley drawers and residential-style lighting create a warm, elevated feel that travels well.

## Comfort & Convenience

- **Winnebago Connect™ Smart Platform** ensures seamless energy management with automatic climate controls, system alerts, and full RV command via a 10" touchscreen or mobile app.
- **Extended energy independence** with a standard 12V lithium battery (320Ah) and second alternator paired with a 2,000W inverter and up to 240W standard (720W upgraded), so you can stay off-grid longer.
- **Abundant interior and exterior storage features** including a full-width wardrobe (24T) and a full-width heated gear garage with LED lighting (24R & 24T), charging ports, and L-track tie-downs (24R & 24T) to keep bikes, boards, and outdoor gear secure and easily accessible.
