Ultra Lite Weight Travel Trailers by Jayco®

LIVEABILITY MEETS TOWABILITY

possibilities.

Spending less and saving more is the reality facing many people today. And yet, the desire for deeper, more meaningful connections with friends and family is stronger than ever. Fortunately, spending less doesn't mean settling for less, thanks to the new Jay Feather. Light enough to be towed by most SUVs, minivans and crossovers*, yet expandable enough to fit most families, the Jay Feather makes it possible to reconnect — and stay connected — with the important things in life.

TOWABLE

Aluminum frame construction makes the Jay Feather durable, yet incredibly light weight—while the TorFlex® independent suspension makes towing easy and smooth.

DURABLE

Just because you're giving up weight doesn't mean you're giving up durability. Our industry-leading construction techniques developed over the past 40 years ensure the Jay Feather is built for the long haul.

A TRADITION OF LIVEABILITY

Starting with our first lifter system for fold-down campers in 1968, which made for an easier, more enjoyable camping experience, Jayco has always been about liveability. Today, we're the world's largest family-owned RV manufacturer, yet our priorities remain the same: making RVs more liveable and family time more memorable.

* Consult with your authorized automobile manufacturer and vehicle owner manual.

JAY FEATHER 24T | SPICE

SPACE TO LIVE, ROOM TO GROW.

There's no need to give up space or amenities with the Jay Feather. Expandable sleeping areas mean there's plenty of room to stretch out at night, while full-featured kitchens and bathrooms make getaways comfortable, memorable and stress-free.

CONTEMPORARY

The Jay Feather's full bath delivers all the comforts of home in a compact, well-designed space.

SPACIOUS

Mealtime is quick and easy in the Jay Feather's efficient, fully equipped kitchen. Cleanup's a snap as well.

COMFORTABLE

After a long day of outdoor fun, you'll appreciate the Jay Feather's restful queen-sized mattress and quilted bed pad.

JAY FEATHER

Ultra Lite Weight Travel Trailers by Jayco

Live large. Tow small.

The Jay Feather can be towed by most SUVs, minivans and crossovers*, so getting away from the stress of your everyday life has never been easier—or more enjoyable. With four series and 17 different floorplans to choose from, the Jay Feather comes with everything you need to get away whenever you want and to stay away for as long as you need.

SPORT

The Jay Feather SPORT packs a mighty big punch in a mighty small package. Easily towable, with sleeping for up to five people, the SPORT is our most light weight, compact model, perfect for quick trips and weekend getaways.

Jayco construction

At Jayco, we've built a reputation for superior construction and craftsmanship. We always use top-quality materials and production techniques, giving our products **reliable resale value** and our owners peace of mind.

FLOOR

Vacuum bonding joins our aluminum frame with bead-foam insulation and decking to create one of the strongest foundations in the industry. (EXP, EX-PORT and Jay Feather).

WALLS

TuffShell™ vacuum bonding combined with welded aluminum frames and metal backers create a durable structure designed to withstand use and travel.

ROOF

Our roof structure provides 2 inches of R-9 bead-foam insulation and is finished with a seamless rubber layer that protects against moisture and resists aging.

BALL BEARING DRAWER GUIDES

Our new residential-style ball bearing drawer guides provide smooth operation and full-drawer extension, for a stronger, more substantial drawer and a true home-like feel.

DURABLE TENT CONSTRUCTION

Setup is quick and easy with sectionalized tents, featuring a unique permanent tent-to-bunk attachment system. Bunk-end bows have also been raised for an additional 6" of headroom. (EXP and EX-PORT only.)

Jayco craftsmanship

Jayco's dedicated production team includes Amish craftsmen who build with well-honed woodworking techniques passed down for generations and skilled seamstresses who produce our upholstery, bedding and draperies with great attention to detail.

Jayco liveability

At Jayco, it's always been about liveability.

CENTRAL A/C

The Customer Value Package includes 13,500-BTU air conditioning in the SPORT, EX-PORT and EXP models, and central air with louvered, directional ceiling vents in the Jay Feather models.

AUDIO SYSTEM

The Jay Feather's home audio system with AM/FM/CD/DVD stereo and MP3 input jack bring the sounds of enjoyment to everyone.

OUTSIDE SHOWER

The standard outside shower is perfect after a fun day at the beach. (EXP and Jay Feather.)

INDEPENDENT SUSPENSION

TorFlex® independent suspension gives more ground clearance, provides a smooth ride, easier towing and offers greater durability.

ULTRA LIGHT STEEL FRAME

Our ultra light steel frame is 10-15% lighter, yet significantly more rigid than the frame of conventional travel trailers. Tapered rails, "huck" bolt assembly and an E-Coat™ finish give the frame durability and strength. (Select EXP models only.)

Unloaded Vehicle Weight (UWV): Sometimes referred to as "Dry Weight," UWV means the typical weight of this trailer as built at the factory. The UWV, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the trailer, including the UWV plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UWV and the CCC.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UWV. The addition of options will decrease the CCC.

Hitch Weight (HW): The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle and the RV together before heading out on the roadways. When you tow an RV, you must drive differently than you do when driving a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. See specification chart above.

2 YEAR WARRANTY

The Jayco Co-Pilot Warranty is a manufacturer's limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. Jayco's limited warranty is not transferable. **Go ahead and compare the Jayco warranty with other manufacturers' warranties. You'll find it's the best in the business!**

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer.

300 JAYCO DEALERS

Establishing a solid relationship with your local Jayco dealer is a key component in the enjoyment of your new Jayco. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support.

Jayco dealers are required to deliver all products at the site of the sale to provide a full product orientation and walkthrough at the time of delivery. It's a good way to become familiar with your Jayco and to meet the service, parts and warranty staff members who will be assisting you. If you live in Canada, there are regulations that must be met when buying a Jayco RV. Your local Canadian dealer is a professional at meeting these requirements and regulations. There simply is no substitute for a good relationship with your local Jayco dealer.
