My Keystone Camper was my first new camper purchase. I love the new layout and the interior size. The roominess allowed myself and 4 other adults to be in it very comfortably. I'm having a great time with my camper and would recommend this model to everyone!

"We have the Springdale 2820BH which has the perfect layout for our family. The double bunks, second door in the bathroom and spacious living space checked all of our boxes. We've been traveling in it for about 3 years and we love our Springdale!"
