2020 WAYFARER

COMPACT LUXURY

The all-new Wayfarer® offers more of everything you want in a Class C, along with the luxurious styling and amenities synonymous with Tiffin. Designed inside and out with your every need in mind, it features a spacious interior, industry-standard safety features, and high-performance upgrades like the new Mercedes-Benz® chassis. Plus, its state-of-the-art construction makes it one of the easiest-driving Class Cs on the road.

Living Area

From floor plans to storage, maximum spatial efficiency is an integral part of the Wayfarer experience. Custom hardwood cabinets with extra deep drawers, high-grade linoleum flooring, and premium furnishings ensure every inch of space is as functional as it is luxurious. Plus, the highly capable kitchen — featuring a built-in fridge, stainless steel sink, convection microwave, and covered two-burner cooktop — allows you to easily and comfortably prepare home-cooked meals even when you're far away from home.

The cool brightness of LED lighting illuminates interiors, using a fraction of the energy of incandescent bulbs to preserve the coach's battery life.

Top to bottom: Loft bed area; Kitchen slide-out pantry; 25 RW sofa Murphy bed and theater seating with Russett cabinets, Oasis décor.

Master Suite

Relaxing is a breeze in the Wayfarer. With four distinct floor plans offering a variety of sleep options to choose from, unwinding after your travels or powering up for more has never been more comfortable. Greet the day or wash it all away in our spacious, spa-like modern shower featuring a 6' 8" ceiling and skylight that allows natural light to effortlessly flow in. What to wear? How much to pack? Our ample storage and closet spaces mean you can bring along clothing and gear for every type of adventure and occasion.

Top to bottom: 24 TW twin beds—convertible to a king bed—with Landis Ash cabinets, Soho décor; 25 QW queen bed with Russett cabinets, Oasis décor; 25 RW bathroom with Linen cabinets, Sparrow décor.

NEW

The 2020 Wayfarer is built on the all-new Mercedes Sprinter chassis which features a reshaped grill, fenders, and lights. The cabin area redefines comfort and functionality with ergonomic seats, a redesigned instrument cluster, and the new MBUX (Mercedes-Benz User Experience) multimedia system. The new Sprinter chassis helps keep drivers efficient and alert with optimized noise reduction and increased steering wheel adjustability for drivers of different heights.

- Automatic Transmission 7G-Tronic™
