

JAY FEATHER ULTRA LITE

live lightly

EASY ON WEIGHT.
BIG ON AMENITIES.

HEAVYWEIGHT PERFORMANCE

Blending intelligent interior design with advanced construction techniques, Jay Feather Ultra Lite is the industry's leading ultra lite. Solidly built and affordably priced, it's light enough to be towed by most SUVs, minivans and crossovers,* yet spacious enough to accommodate your family.

* Consult with your authorized automobile manufacturer or vehicle owner's manual.

DURATEK TENT MATERIAL

Our DuraTek water-repellent tent material, double-stitched in our own factory and backed by a 5-year warranty, is built to resist mildew, mold, scratches and cracks.

FULL-FEATURED KITCHEN

Energy-efficient Atwood appliances, like a 3-burner range with 9,000-BTU SuperBurner, make cooking a breeze.

AMISH-CRAFTED CABINETS

Jayco's solid-wood cabinetry boasts durable metal hinges.

YOU WANT PEACE OF MIND

That's why we offer our exclusive 2-year Co-Pilot Warranty, the industry's best and most comprehensive warranty program.

VS LIGHTWEIGHT FEATURES

SPACE-SAVING FLOORPLANS

Our innovative floorplans maximize space with multiple expandable tent ends, roomy slideouts and family-friendly U-dinette seating (select models).

ALUMINUM RIMS

Lighter than steel rims, optional aluminum rims provide a sleek look.

INDEPENDENT SUSPENSION

Jay Feather's independent torsion-axle suspension transfers road shock, while its rubberized system limits vibration, decreasing wear-and-tear on your RV.

AERODYNAMIC PROFILE

An innovative, curved profile improves gas mileage and increases towability.

WITH YOUR PURCHASE

Every Jayco RV undergoes rigorous quality control testing before it leaves the factory, so you can be confident your new Jayco will continue to provide the ultimate in reliability for years to come.

For a copy of our 2-year limited warranty with full terms and conditions, ask your local Jayco dealer.

JAY FEATHER X23B | AMARETTO

JAY FEATHER X23B | AMARETTO

JAY FEATHER X23B | AMARETTO

SLEEPS UP TO 10

The Jay Feather expandable comfortably sleeps up to 10 thanks to 1,100-pound expandable tent ends.

DURABLE INTERIORS

Wall-to-wall vinyl flooring, durable pleated night shades, Concord Cherry hardwood cabinetry and residentially-styled furniture, designed and made by Jayco, create the ultimate interior package built for years of adventure.

JAY FEATHER ULTRA LITE TRAVEL TRAILERS

live large, tow small

Hardwall slideouts, select model private bedrooms and full-featured kitchens combine for the ultimate lightweight package in the Jay Feather travel trailer. Ideal for families who want the ease of a smaller trailer but the amenities of a larger one, Jay Feather is a perfect fit.

CONSTRUCTION

and craftsmanship

At Jayco, we've built a reputation for superior construction and quality craftsmanship. We pride ourselves on always using top-quality materials and innovative manufacturing techniques. That commitment has led to our latest construction advancement, the all-new exclusive Magnum Roof System, 50 percent stronger than other roofs in the industry, built to outlast everything but your memories.

OUR NEW ROOF FEATURES ...

- 1 4 1/2" crowned wood trusses:** Uses 2"x 2" vertical studs to maximize load capacity, while oversized nail plates provide a tighter design
- 2 3/8" roof decking, screwed down at every seam:** More durable than typical stapled construction, provides fully walkable roof
- 3 Residential attic-style insulation:** Maintains interior temperatures while allowing for room to run wiring, reducing risky electrical shorts
- 4 One-piece, sidewall-wrapped Alpha Ply material:** Provides leak protection

OLD WORLD CRAFTSMANSHIP

WALL CONSTRUCTION

- 5 Vacuum-bonded layers:** Involves 15-18 minutes of 144 tons of pressure to ensure a strong bond
- 6 Welded aluminum frames with metal backers:** Lighter than wood, increases towability
- 7 Extra-wide corner seals:** Prevents leaks on corner molds, baggage/entrance doors and window seals
- 8 Innovative, aerodynamic front profile:** Eliminates angled profile, increasing towability

FLOOR CONSTRUCTION

- 9 Vacuum-bonded layers:** Backed by computer monitoring and constant quality control checks, Jayco prides itself on building a solid foundation
- 10 Bead-foam insulation (R-9):** Maintains interior temperatures
- 11 Norco lightweight steel frame:** Features industry's strongest strength-to-weight ratio with one-piece I-beam construction
- 12 Innovative A-frame:** Fully integrated, and not welded, prevents buckling

TENT DESIGN

- 13 Reversed cambered-support:** Creates durable structure rated to hold 1,100 pounds
- 14 Hook tent frame:** Creates more headroom than competing tents
- 15 5" bed mats:** Provide comfort
- 16 DuraTek water-repellent vinyl tent material:** Resists mildew, mold, scratches and cracks, while double-stitched design adds strength
- 17 Permanent tent-to-bunk attachment system with channel locks:** Eliminates misplaced poles, using innovative Velcro system

eco advantage™ www.jayco.com/ecoadvantage

THE FEATURE-PACKED JAY FEATHER ...

designed with family in mind

Jay Feather features durable wall-to-wall Diamondflor vinyl flooring, perfect for family foot traffic. It's one of many details we pack into our family-friendly travel trailers.

SKYLIGHT

The full-featured bathroom comes equipped with a room-brightening skylight.

AM/FM/DVD

Jay Feather features a AM/FM/DVD player with MP3 and iPod hookups.

EXTERIOR SPEAKERS

Take your music outdoors thanks to marine-grade exterior speakers.

THE **Jayco**[®] family STORY

THE JAYCO STORY BEGAN IN 1968 WITH OUR FAMILY—THE BONTRAGERS. Lloyd Bontrager created an innovative, easy-to-use lifter system that led to a better fold-down camper. Loaded with more conveniences, he believed his camper would bring families closer together.

Since then, the Jayco family has grown. From our factory to our front office, from our salespeople to our suppliers, our family bond is four decades strong with the support of more than 300 Jayco dealers.

Together, we're helping make new family stories. **YOUR FAMILY STORY.**

welcome to the jayco family

Establishing a solid relationship with your local Jayco dealer is a key component in the enjoyment of your new Jayco. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support. We hope you enjoy working with them as much as we do.

Jayco proudly sponsors Tread Lightly!, a nonprofit organization whose mission is to empower generations to enjoy the outdoors responsibly through education and restoration.

Unloaded Vehicle Weight (UVW): Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

From RV insurance to extended warranties, JayPlus has it covered. Ask your Jayco dealer about our exclusive JayPlus program today.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.

Hitch Weight (HW): The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

As a Jayco owner, you can be part of the Jayco Jafari International Travel Club. Ask your dealer about the Jafari "flight" in your area, write Jayco or visit our website.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle before heading out on the roadways. When you tow an RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. See specifications chart inside.
