Time to
Relax.

Coachmen
Leader to the Great Outdoors.

Coachmen Clipper

Presenting the all new 2013 Coachmen Clipper Hybrid Camping Trailer. Rebuilt from the ground up in ways you can see – new aerodynamic styling for ease of towing, full width stone guard to protect your investment, and radial tires for the safety you need and desire. These are but a few of the new features you will enjoy with your new Clipper!

Features you can't live without

Sliding Storage Trunk (SST)

New E-Z One-Hand Swing Level Galley
(Classics and V1)

Optional AM/FM/CD/DVD/MP3
Player with Int./Ext. Speakers
(Std. on Classics and V-Trec)

Exterior Utility Shelf

◀ **NEW One-Piece Entry Door**

The one-piece door features door panels that allows finite adjustment for air and sunlight. (N/A LS Series)

E-Z Swing Stepper Door

Optional Dometic® 3-Way Refrigerator

Dual Drive Dual Purpose Winch by Canimex

Scissor Style Stabilizer Jack

Optional Modular Cassette Potti with Electric Flush

Retractable Clothes Bar (Classics and V-Trec)

The Clipper Difference.

Construction & Features Competitors Can't Match

Lined drapes
for improved
privacy

Standard heated mattress
features a Sunbeam®
heating element.
(Opt. on 106 & 106ST)
(N/A on LS Series)

"Glide-N-Lock" bed system is
the only cable-supported bed
system in the industry. Simply
pull out the beds until they lock
into place. No more awkward
poles to contend with!

Largest heating capacity of any folding camper.

- Optional 20M BTU Suburban® Furnace with forced air, electronic ignition and thermostat control.

VRX-14
Supreme Tent with storm
cuff and tinted windows
(No Stormcuff on LS Series)

Polyflex woven moisture
barrier laminated to all
Clipper floors and bunks.

Goshen Stamping double-
wide lifter post with limited
lifetime warranty
(N/A 806 LS)

Portable in/out
dINETTE table

Wide Trac Suspension

**Better safety and stability
on the road.**

- Widest stance of any folding camper
- Improves towing safety and stability
- Stronger axle beams than most competitors
- Steel frame with powdercoat protection

Dura Tuff Roof

A. One Piece Seamless Skin

B. Dura Tuff Wood Protective Layer

No one else includes the extra wood layer between the top skin and internal foam that provides stiffness and reduces the probability of damage due to hail, road debris, etc.

C. Foam Roof Structure

D. Steel Reinforced Wood Frame

The roof is framed with steel supports to accept A/C on all models without extra reinforcement.

- Roof vent is placed off to the side so the A/C can be center-mounted without having to remove the vent. This design allows you to have both the vent and A/C.

Roof Side Z-Rail Channels water away.

1. Roof's Outside Skin
2. Body's Outside Skin
3. Water tight Seal
4. Z-Rail channels water away from wood

- Z-Rails on roof perimeter and sidewalls keep wood above water level collection points.
- Others use U channel where wood and water can come in contact at the bottom of the channel.
- Channels are kept open to allow water to run out like a gutter.
- Others attempt to seal channels to keep water out; when the seal is compromised, water will collect and cannot escape.

1-1/4" Laminated Insulated Bunkend

(N/A 806 LS)

- Double the industry standard thickness
- Solid wood, steel reinforced frame filled with 1" thick high density foam and laminated with wood panel on top and bottom
- Yields a more stable bedend vs. chipboard or spliced plywood used by other brands
- Insulation improves comfort and warmth

Clipper Standard

Competition

Clipper
LS

806 LS

Limited Warranty

- Lift System - Lifetime
- Vinyl Tent - 5 years
- Roll Out System - 5 years
- Frame - 5 years
- Roof Assembly - 5 years
- AL-KO® Ultralube Spring Axle - 1 year
- AL-KO® Ultralube Rubber Suspension Axle - 5 years
- Refrigerator - 3 years
- Plumbing System - 10/25 years
- Electronic Converter- 2 years
- Roof Exterior - 2 years

Free Roadside Assistance

Coachmen provides one
year of free Travel Easy™

emergency roadside assistance for those who buy
a new Coachmen RV. Administered by Coach-Net®,
this service gives Coachmen owners 24/7 access to
operational, technical and emergency road services,
including towing, fuel delivery, jump starts, lockout
service, tire changes, mobile mechanic and unlimited
technical advice. So no matter where you go, we're
ready to help!

Big Benefits For New Owners

Owners club discounts and
more — A free one-year membership in the Coachmen
Owners Association comes with the purchase of any
Coachmen product. This add-on value not only provides
a host of travel services and campground discounts, but
also a 24/7 online service that locates needed services
while offering member savings at more than 180,000
merchants across the country. And, of course, the COA
is an excellent way to share experiences with other
Coachmen owners through rallies and caravans.

**Forest River, Inc. encourages
our customers to purchase
their Forest River products
from a local dealership
whenever possible for the
following reasons:**

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!
