- Ultraleather™ furniture
- LED lighting
- HDTVs
- Redesigned front entertainment center
- MCD blackout roller shades
- Powered patio awning with metal wrap and LED lighting
- Corian® countertops

On the Cover: 30J Silver Smoke Full-Body Paint

30J Arctic with Coffee-Glazed Honey Cherry Cabinetry

Rethink Possible

Those who think you can't live in luxury in a Class C coach have never traveled in an Aspect[®]. This Class C sensation comes loaded with upscale amenities such as MCD blackout roller shades, a newly-designed front entertainment center on the 30J and high-gloss Corian Private Collection galley countertops. Choose the available interior upgrade package

that includes MCD solar/blackout roller shades, mosaic galley backsplash, Corian sink and range covers, sofa pillows, and more. You'll find an abundance of storage thanks to the large rear exterior compartment. And, because it is made by Winnebago[®], you can rest assured knowing you will be getting the most out of your Aspect for years to come.

Recognized Quality The Recreation Vehicle Dealer Association annually rates RV manufacturers and awards the Quality Circle Award to manufacturers that provide exceptional products, service, and support. Winnebago is proud to be the only manufacturer that has received this award every year since its inception.

Best in Class

See how Winnebago takes motorhome design and function to the next level, and why we've earned the right to be called the Most Recognized Name in Motorhomes.®

Click on this icon throughout the brochure to link to more information on the web.

Enjoy dining with the **BenchMark® Full Comfort Dinette**. At night, it effortlessly converts to a bed for more sleeping space.

The stylish **Corian countertops**, a flip-up countertop extension (30), and available sink and range covers make this galley stand out.

The **30J Rear Exterior Storage Compartment** and folding table make outdoor picnics a breeze.

Relaxation is easy in the Aspect's premium lounge, featuring MCD blackout roller shades, LED ceiling lights, a newly-redesigned front overhead entertainment center with an HDTV, surround sound, and a DVD player. With quality furniture options such as the Ultraleather sofa/sleeper, or the available Ultraleather Rest Easy® sofa, you'll enjoy relaxing in style. Select the available dual-pane Contour windows with their superior seal for reduced wind noise. The standard 4,000-watt Cummins Onan® generator provides all the power you need, even when not connected to a shoreline source.

With newly-redesigned cabinetry and hardware as well as new, polished Corian countertops, this full-featured galley is sure to impress. Preparing snacks or full meals is easy with the 3-burner range top with storage below, microwave oven, and large refrigerator/freezer for cold storage. The available interior upgrade package includes Corian range and sink covers, a mosaic backsplash, and stainless steel microwave/convection oven for preparing your favorite oven-baked recipes.

Refrigerator/Freezer

30J Galley

30J Bedroom

At the end of the day, you'll appreciate winding down in your bedroom with its walk-around queen bed on select models, newly-styled headboard, and HDTV. You can upgrade to the Ideal Rest® Natural Reserve digital control mattress with remotes for added comfort or select the available 1,000-watt DC/AC inverter for convenient power even when shoreline power is unavailable. Store your belongings in the two nightstands and large slideout wardrobe with drawers.

Dash

Driving is more comfortable in the Ultraleather cab seats. Once parked, the cab seats swivel to face the lounge, creating more seating options for the living area. The cab seat lounge cushions, included in the available interior upgrade package, add even more style and comfort. Choose the available Infotainment Center with Rand McNally RV GPS which features turn-by-turn navigation along with an MP3 input, CD player, and more. Piloting your motorhome is safer and easier with the color rearview monitor incorporated into the touch screen radio.

Powered Mirrors

Swivel Cab Seats

Spend your sunny afternoons relaxing under the powered patio awning with LED lighting, and then spend your evenings enjoying the available exterior entertainment center, complete with an AM/FM stereo, and CD player. Store your gear in the large rear trunk with a drop-down rotocast compartment with drain plug and folding table.

30J Powered Patio Awning

30J Exterior Rear Trunk Storage and Table

 Powered Patio Awning with LED Lighting

Available Stylized Aluminum Wheels

Fiberglass Roof

The crowned, one-piece fiberglass roof is backed by a 10-year limited parts-and-labor roof skin warranty.

Rubber Can't Cut It

Rubber roofs used by competitors can streak and degrade over time.

Thermo-Panel® Sidewalls

By layering fiberglass and high-density block foam insulation with welded aluminum support structures, we create some of the industry's strongest, most durable, and lightweight sidewalls.

Embedded Steel Metal substructures embedded into the sidewall provide solid attachment points to keep cabinets and appliances mounted securely in place.

E-Coating An electrodeposition coating helps protect critical steel components.

Laser-Cut Tubing Precision laser cutters create precise joints in structural steel that are stronger and require less welding.

Interlocking Joints Specially engineered interlocking joints connect the floor, sidewalls, and roof where competitors often rely on simple screws to bear the weight.

Solid Framework Aluminum extruded in our own facility to our exacting standards creates an extremely strong and solid structural framework.

SUPER STRUCTURE

BUILT TO LAST

Every coach—from our smallest Class C to our largest diesel-pusher model—is built to Winnebago's® legendary SuperStructure® construction standards. It's a process developed and refined over more than 50 years of building some of the strongest, most durable coaches in the industry.

TESTING Before rolling out of our factories, every coach undergoes an extensive 113-point inspection. Each coach also passes a high-pressure water test that simulates rain at a rate of 50-inches per hour to check for leaks. During the design process, our computer simulations, physical testing center, and rigorous test track ensure each model is built to last.

DETAILS At Winnebago, we treat the features you can't see with the same care as the ones you can. Look in the access panels of some of our competitors' coaches and you'll see loose insulation and wires haphazardly strewn about. Winnebago maintains a clean fit and finish throughout so your coach will last for the long haul.

BUILT IN-HOUSE We extrude our own aluminum. We rotocast our own plastic components. In fact, we manufacture most of our own parts so they are designed to fit the space, rather than fitting the space to an awkward off-the-shelf component size.

SUPER STRUCTURE[®]
BUILT TO LAST

Warranty⁶

12-month/15,000-mile basic limited warranty⁷

36-month/36,000-mile limited warranty on structure⁷

10-year limited parts-and-labor warranty on roof skin⁷

- 1 The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
- 2 The load capacity of your motorhome is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motorhome.
- 3 Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
- 4 Capacities shown are tank manufacturer's listed water capacity (W.C.) Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
- 5 Actual towing capacity is dependent upon your particular loading and towing circumstances, which includes the GVWR, GAWR and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.
- 6 See separate chassis warranty.
- 7 See your dealer for complete warranty information.

Winnebago's continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at time of printing. Please consult your dealer for individual vehicle features and specifications.
