

CARBON

FIFTH WHEEL TOY HAULERS • TRAVEL TRAILER TOY HAULERS

LIVE IT OUT.

CARBON

CARBON | TOY HAULERS

Never stop exploring.

Regardless if you're traveling down a dirt road to the dunes or the interstate to a theme park, Carbon is built for the road ahead. Equipped with all of the essentials for the road less traveled, Keystone RV's Carbon is a lighter weight and more affordable toy hauler, making it an enticing option for weekend warriors. With features like frame-welded tie-downs, painted front caps and floorplans built for entertaining, these haulers have brawn, brains and beauty that will thrill even the most seasoned adventurers.

KEYSTONE EXCLUSIVE INNOVATIONS

Year after year, Keystone RV's experienced team delivers "Built For The Long Haul" quality you expect and exclusive innovations you won't find anywhere else.

3-YEAR LIMITED STRUCTURAL WARRANTY, 1-YEAR LIMITED BASE WARRANTY

Every new Keystone RV comes with the industry's best three-year limited structural warranty AND a one-year limited base warranty. Ask your dealer, visit keystonerv.com, or call Keystone Owner Relations for details.

KeyTV™

No more connection guesswork or poor reception. KeyTV offers a game-changing, single point of control of over-the-air, cable, and satellite feeds.

Hitch Vision™

Simplifies hitch hook-up with "no looking back" convenience.

Color-Coded Unified Wiring Standard

Easy-to-trace circuits simplify electrical and entertainment system troubleshooting.

In-floor Heating Ducts

Distributes heat evenly through your coach for superior comfort.

Tuf-Lok™ A/C Duct Joiners

Crush resistant design securely joins ductwork and A/C units, and drastically reduces chilled-air leaks to boost cooling efficiency and comfort.

Tru-fit™ Slide Construction

A more durable slide room design that minimizes functional motor and structural stress and resists leaking.

BUCKLE DOWN AND BRIGHTEN UP

Light, airy, and inviting, the new Carbon interior delivers exactly what modern owners are looking for. Gray cabinets are finished with a hand-applied glaze adding rich dimension and vintage charm. With lighter finishes throughout and design cues from reclaimed barn wood and shiplap, the 2020 Carbons have quickly become the country's most Instagram-worthy RVs.

BUILT-IN COMFORT

Relax at the end of the day with Carbon's ultra-comfortable pillow-top seating.

ABUNDANT STORAGE

Carbon makes it easier to travel with the gear you need.

blade

HIGH-PERFORMANCE AIR FLOW SYSTEM

BLADE™ HIGH PERFORMANCE AIR HANDLING SYSTEMS

Engineered to maximize the output from today's high-performance RV air conditioners, Keystone's NEW patented air handling system delivers an average of 20% more cooling power and is built to withstand the rigors of the road. The Blade™ system is designed to accelerate air flow, eliminate leakage and failure points, deliver 360° circulation in the cabin, and withstand environmental and road stressors that lead to reduced performance.

NEW EXTERIOR GRAPHICS PACKAGE

Carbon's graphics update supports the universal appeal of this brand. Clean, sporty, and optimistic, the aesthetic nails the spirit of Carbon owners' active lifestyle.

MODERN AMENITIES

From USB ports to sophisticated appliances that eliminate common frustrations, Carbon brings a more modern approach to camping.

1. SOFT-CLOSE CABINET DOORS

Concealed hinges with hydraulics to ease doors closed gently and silently.

2. WIRELESS CHARGING

Quickly and conveniently transfer power to your device without clunky cables.

3. WIRED AND READY FOR SOLAR

Carbons have wiring in place for roof-mounted solar panels and internal controls, making it easy for you to go green and give your coach greater boondocking and campsite flexibility.

4. UPGRADED ROTO-FLEX™ PIN BOX

Reduces chucking and absorbs road shock, resulting in a smoother ride and less wear and tear on your vehicle.

5. FRAME-WELDED TIE-DOWNS

Industry-leading 5,000 lb capacity tie-downs increase hauling safety and security.

6. STAINLESS STEEL APPLIANCES (SELECT MODELS)

Includes an oversized 12 cu. ft. refrigerator, 33% larger than other toy haulers in its class.

7. FURRION® BACKUP CAMERA PREP

Easily add ultimate safety and peace-of-mind for changing lanes, merging, and making wide turns.

8. DEXTER 7,000 LB AXLES WITH ELECTRIC SELF-ADJUSTING BRAKES

Equipped with U.S. made, heavy-duty axles, and electric self-adjusting brakes that significantly decrease stopping distance and cause less wear and tear on your tow vehicle.

BUILT FOR THE LONG HAUL

1 EASIER SHOPPING.

At Keystone, we make choosing an RV as easy as finding the Big Dipper on a dark summer night. With comprehensive online product information, Key Connect™ product advisors, and an unparalleled dealer network, we will help you select the perfect RV for your family's adventure.

2 INNOVATIVE THINKING.

The road's a nicer place when you have the industry's smartest features behind you. Keystone leads the pack in patented innovations that make our RVs safer, more comfortable, and easier to operate.

3 LONG HAUL QUALITY.

To keep you on the road, there are certain things we just won't build a Keystone RV without. Game-changing features like our Unified Wiring Standard, Tru-Fit™ five-point slide construction, and no-fail Tuf-Lok™ A/C duct joiners combined with exhaustive testing and inspections are some of the reasons why Keystone is able to offer our owners the industry's best 3-year limited structural warranty.

4 WORRY-FREE CUSTOMER SERVICE.

Wherever the road takes you, you're never too far from an authorized Keystone service center. We also offer live service assistance, ultra-fast parts shipping, online maintenance tips and tricks, and a single-point warranty claims policy. *That's* peace of mind.

5 KEYSTONE NATION.

When you choose Keystone, you become a part of one of the largest camping families in the country. We're Keystone Nation. A friendly community where people share photos, travel tips and amazing stories — all in the spirit of camaraderie and adventure. Come join us.
