A HIGHER STANDARD

PRIME TIME
Manufacturing

CRUSADER

Within us all, there's a calling to achieve ever-greater things; a search for a higher standard. In creating Crusader, we asked our engineers and design team to throw caution to the wind and engage in serious "outside the box" thinking. We challenged them to think beyond the status quo and reach for product innovations not currently offered. We said, "Make Crusader a new icon for the 21st century." Needless to say, they took the challenge to heart.

The result of their efforts represents a new standard in fifth wheels — A HIGHER STANDARD — Crusader.

**A HIGHER
STANDARD**

325 RES in Autumn Mocha Décor

Crusader is unlike any fifth wheel in its class. On the outside, our fifth wheel experts have combined advanced engineering and design with best-in-class features to create a fifth wheel that looks great, tows easily, and maximizes convenience. On the inside, Cherry hardwood cabinetry and solid surface kitchen countertops carefully work together to make a lasting first impression. Your comfort and relaxation will be guaranteed with an abundance of upgrades such as a 42"

LCD television, RCA home theatre DVD system, residually inspired furniture, and Crusader's Ever Rest® select foam mattress. Your long-term peace of mind is assured with Crusader's durable ETERNABOND construction and Leak Guard protection process.

Inside, outside, or under the surface, if you want a better fifth wheel – one built to a higher standard – you want Crusader.

A HIGHER STANDARD THAT WILL IMPRESS AT EVERY TURN

Within seconds of entering, experienced RV'ers will recognize Crusader's subtle details of excellence, best-in-class features, and residential appointments.

A. Full extension drawer guides allow full access to Crusader's extra large storage areas.

B. The Crusader 320 RLT combines excellent kitchen storage and counter space with a user-friendly entertainment area.

C. Handy pull-out baskets offer convenient storage thru-out Crusader.

D. A 32" LCD television is perfectly positioned in the 290 RLT. The huge lower cabinet maximizes storage and is complimented by the large buffet countertop.

E. "Suite Slide" offers premium storage and livability not found on most mid-profile fifth wheels.

F. The king shower, Skyview® skylight, 6'8" of headroom, and STOR MOR® shower caddy deliver on Crusader's promise of "A Higher Standard".

- ✓ Appointment Assistance
- ✓ Lock Out Service
- ✓ Fuel Delivery
- ✓ Service Assistance
- ✓ Custom Trip Routing and Maps
- ✓ 24 Hour Emergency Messaging

*Exclusions and restrictions apply. See member guide for details.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!
