

MEET THE EKKO SPRINTER

The all-new AWD EKKO™ Sprinter expands the EKKO lineup, complementing the trailblazing EKKO Transit with enhanced off-road capability, storage space, and a new multifunctional living area. All-season insulation extends the camping seasons, while its advanced power package and large water tank extends your off-grid stays.

Versatile Base Camp

With its 170" wheelbase, the EKKO Sprinter is 18" longer overall than the EKKO Transit, with belted seating for four, sleeping for three (or five with the optional pop-top), deeper gear garage, increased living space, and 80" long twin/flex beds.

Enhanced Off-Road Capability

Built on the Mercedes-Benz® all-wheel-drive Sprinter chassis, the EKKO Sprinter benefits from elevated ground clearance, as well as standard all-terrain tires for superior bite when navigating low-traction environments.

Multi-Use Living Area

The living space in the EKKO Sprinter is designed to flex to your needs, and is centered around a new multifunctional lounge that's easily configured in four different modes:

- Passenger seating for two with a pull-up table
- 2 side sofas with adjustable table
- U-shaped dining space to accommodate up to five
- Sleep mode creates a side-to-side sleeping space

Flexible Galley

The EKKO Sprinter galley features a portable single-burner induction cooktop, giving you the ability to cook outdoors, as well as a new microwave/convection oven, large galley sink bowl, deep-access drawers, and more.

Enhanced Tech and Safety Features

To enhance driving comfort and safety, the EKKO Sprinter incorporates the latest Mercedes-Benz safety and convenience features, starting with the MBUX® Multimedia System with navigation, Apple CarPlay® and Android Auto.™ Additional driver aids include digital rearview mirror, active lane keeping assist, DISTRONIC PLUS® adaptive cruise control, attention assist, and more.
