WILDERNESS

FLEETWOOD RV

Travel Trailers and Fifth Wheels **2002**

FLEETWOOD RV

For every road you travel, Fleetwood has the RV to fit your high standards and lifestyle. We build the recreational vehicles America wants, accounting for nearly one out of every three RVs on the road today. How do we do it? We call it the **Fleetwood Equation**.

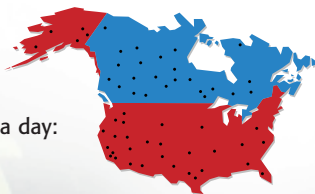

Size + Service + Quality = Value!

Size *The world's #1 RV manufacturer*

For over a half-century, Fleetwood has grown to become the largest manufacturer of recreational vehicles in the world. And stands today as the only RV manufacturer in the *Fortune 500*. You won't find our nearest competitor in even the top 1,000. Fleetwood remains, year after year, the largest, most influential, innovative and recognized leader in the RV industry.

Service *Listening to our customers*

With over 1,100 service dealers in the US and Canada, Fleetwood has the largest network in the RV industry. No other RV company comes close in equaling this vital customer support system. Fleetwood RV service dealers have instant, real-time electronic access to your service records as well as parts inventory and warranty repair authorization inquiries. We also provide a 24-hour customer call center for service and product information so no matter where you travel in North America, professional support and fast answers are always nearby. Call toll-free 24 hours a day: 1-800-322-8216.

Quality *Using only the best materials*

At Fleetwood, quality begins with computer-aided design (CAD) technology to build quality into every travel trailer right from the start. Full-functioning prototypes are built and subjected to accelerated life cycle tests. Once approved for production, each unit is built by skilled technicians using quality materials and components from companies like Coleman®, Dometic®, Flexsteel®, Magic Chef® and Panasonic®. All this assures that every Fleetwood RV has the fit, finish and details required by our high standards—as well as yours.

Value *Priced right with style*

At Fleetwood RV, we look at value as the sum of everything we offer.

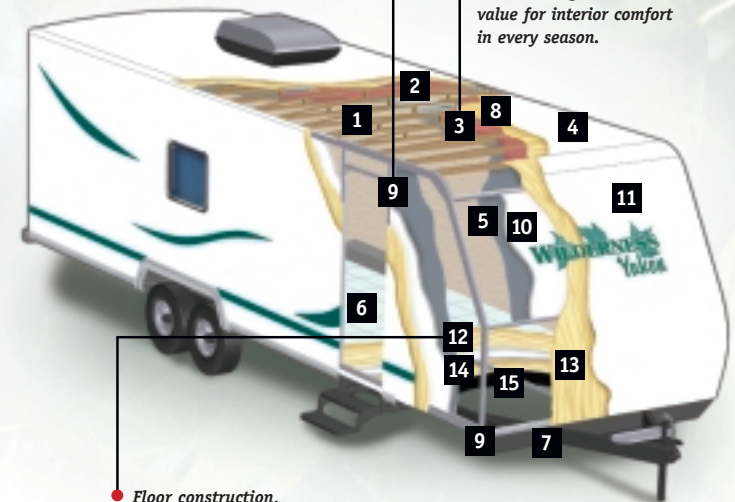

- **Value** is our design and engineering expertise, and innovative manufacturing methods.
- **Value** is structures and components that meet or exceed government and industry safety standards.
- **Value** is Ownercare—a two-year full warranty that includes systems, appliances, components, and construction, no deductible and no service charge, and is fully transferable for the first 24 months. See your nearest Fleetwood dealer for a full explanation of benefits and restrictions.

Why would you buy anything else?

Lightweight 1 1/2" aluminum structural joists and studs blend proven framing methods with technologically superior materials.

R7 fiberglass and block foam insulation ensures a high insulation value for interior comfort in every season.

Floor construction, comprised of 3/4" plywood floor, wood floor substrate and lamination grade underbelly provide strength and durability.

**Wilderness
Yukon Ultralite**

- **Value** is customer satisfaction. When asked, more experienced RV owners would recommend a Fleetwood to a friend than any other brand. Fleetwood RVs consistently hold their value better than most RVs at trade-in time.

Value is peace of mind.

SSQV—Size, Service, Quality, and Value. Together they equate to the very best RV you can buy, and the reason you should purchase a Fleetwood over any other brand.

Require these features when you purchase your next RV... Fleetwood does!

See you on the road!

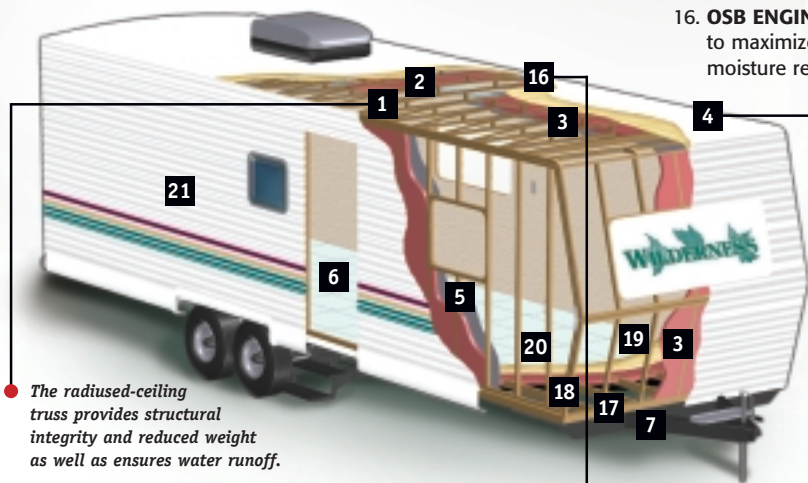

A look into what it takes to build the world's best travel trailer.

It takes more than good looks to become America's number one RV manufacturer. It takes quality. Quality in the way we design, test, and build our products. Quality in our furnishings, appliances and other conveniences. And because we want our customers for life, we pay strict attention to every detail from concept to completed product to you. Fleetwood RV—not just another pretty face. You'll have to look a lot deeper. That's where our true beauty lies.

1. **ENGINEERED RADIUSED CEILING TRUSS** - Ensures strength, water runoff and reduced weight.
2. **IN-CEILING AIR CONDITIONING DUCT (most models)** - Better distributes cool air.
3. **R7 FIBERGLASS INSULATION** - As in your home, ensures interior comfort in every season.
4. **ARCTIC WHITE EPDM RUBBER ROOF** - Provides the ideal weather seal and is warranted for 12 years.*
5. **INTERIOR LINEN PANEL** - Features a durable, easy-to-clean, decorative vinyl.

11. **SMOOTH GLOSS FIBERGLASS EXTERIOR SIDING** - More durable than aluminum siding, this glossy surface is easy-to-clean and adds beauty and structural integrity.
12. **1/4" PLYWOOD FLOOR** - Provides the interior structural strength to the laminated floor construction.
13. **WOOD SUBSTRATE** - Adds structural reinforcement to the exterior fiberglass panel.
14. **WOOD FLOOR SUBSTRATE** - Provides the foundation for the all-weather underbelly.
15. **LAMINATION GRADE UNDERBELLY** - Is a seamless, durable weather barrier.
16. **OSB ENGINEERED ROOF SUBSTRATE** - Is designed to maximize strength and is sealed to ensure moisture resistance.

17. **DARCO POLYMER UNDER SIDING** - A seamless sheet is wrapped to fully enclose the bottom of the RV to provide a barrier against the elements.
18. **2 x 3 FLOOR JOIST** - Allows for the placement of in-floor furnace ducting without compromising structural integrity.
19. **ENGINEERED 5/8" OSB FLOORING** - Provides the dependable decking needed to ensure an adequate foundation. Further stability is added by interlocking these sheets using "tongue in groove" construction.
20. **2 x 2 SIDEWALL STUDS 16" ON CENTER** - Utilizing residential framing methods, this is the structural component of our sidewall construction.
21. **.024 ALUMINUM SIDING** - Complete with a baked-on enamel paint, this aluminum siding offers rigidity while still being affordable.

• EPDM rubber membrane roof provides the ideal weather seal and the membrane's manufacturer warrants this component for 12 years.

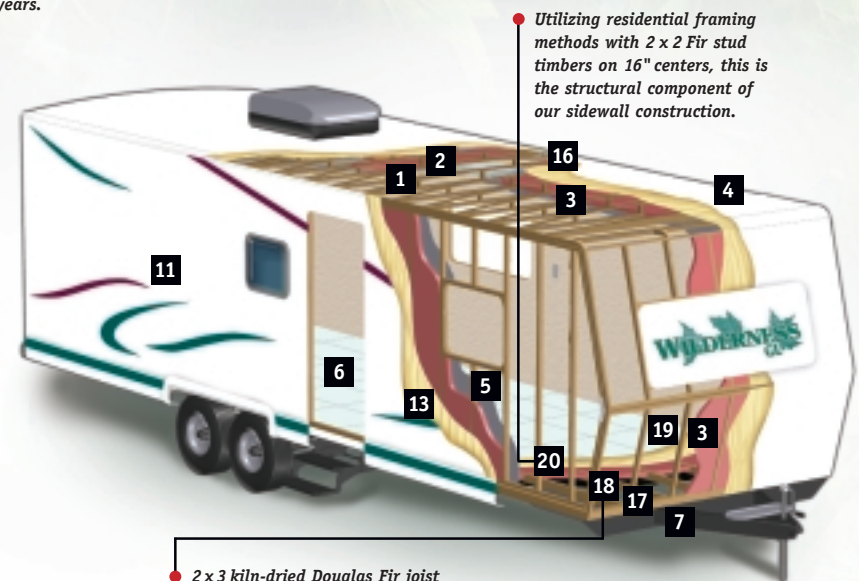

• The radiused-ceiling truss provides structural integrity and reduced weight as well as ensures water runoff.

6. **ARMSTRONG® FLOORING** - From the best name in residential flooring.
7. **REINFORCED CAMBERED STEEL CHASSIS** - Provides optimal strength, durability, and towing safety.
8. **WOOD DECK** - Provides a solid backbone for the rubber roof construction.
9. **1 1/2" ALUMINUM TUBING** - Lightweight, structural joists and studs blend proven framing methods with technologically superior materials.
10. **HIGH-DENSITY BLOCK FOAM INSULATION (found in floor and sidewalls)** - Is custom cut to ensure maximum structure and insulation value.

Wilderness Standard

• The roof decking is comprised of Oriented Strand Board (OSB), a wood substrate that is engineered to maximize strength and sealed to ensure moisture resistance.

Not all feature numbers apply to all units. Air conditioning unit shown is an optional item. *See your authorized Fleetwood dealer for details.

• Utilizing residential framing methods with 2 x 2 Fir stud timbers on 16" centers, this is the structural component of our sidewall construction.

• 2 x 3 kiln-dried Douglas Fir joist timbers are the structural component of our floor construction, which allows for the placement of in-floor furnace ducting without compromising strength.

Wilderness GL

WILDERNESS[®] Yukon

Up for a new adventure? Maybe spreading your wings a little and getting closer to nature? Then experience the great wide open in a Wilderness Yukon Ultralite. It's the perfect first step for explorers looking for value, convenience and quality in an easy to tow travel trailer or fifth wheel. You won't find a more stable, well constructed and versatile brand on the road today. And with the broadest range of standard features, floor plans and options available, you'll wonder why you didn't make the decision sooner to try the other fork in the road. The one that leads you to the Wilderness Yukon Ultralite.

Wilderness Yukon Interiors

724 D | Blue 03 | Interior

1 Take your favorite fishing hat off and stay awhile in Yukon's expansive interior which features an interior height of 6' 6". The **pop-out tents** turn your interior space into a comfortable place that sleeps up to 6.

2 Watch TV, play a game of backgammon or take a quick nap in Yukon's slide-out sitting area (available on select models only). The **sofa bed, double light fixtures** and inviting decor provide the perfect get-away spot.

724 D | Blue 03 | Sitting Area

724 D | Blue 03 | Galley

3 Prepare your favorite meal after a day of hiking in the full-featured galley. The **residential-height countertops, double stainless steel sink, 3-burner range, optional oven and microwave** lets you cook up anything your famished family and friends desire.

WILDERNESS®

Whether you're a weekend camper or an extreme outdoorsman, Wilderness puts you right in the thick of fun. Enjoy an abundance of room, for both living and storing gear, because we've redesigned and engineered Wilderness front to back. Don't worry about traveling to out of the way places, quality components and construction can handle the most demanding situations. And once you've found your valley or mountain top, spend time in the floor plan that fits your lifestyle, equipped with more standard features, distinctive decors, plush furnishings and available options than anything in its class.

It's time to answer that call from the wild, in a Wilderness.

1 Start your day off enjoying breakfast in the light and cozy dinette. It's comfortable and roomy enough for the whole family and quickly **converts to a sleeping area** when the day and fun is done.

2 We've brought the great outdoors, indoors with **more interior and storage room**. Distinctive **color coordinated decors**, a choice of **expansive floor plans** featuring **flush floor slide-outs**—all the options you'll need to take the rough, out of roughing it.

3 The Wilderness galley features all the fixings—a **stainless steel double sink**, **6-cubic foot Dometic® refrigerator**, and a **microwave and 3-burner range**. Plus inspiring **wood cabinetry, residential-height countertops** and an **abundance of storage space**.

WILDERNESS[®] GL

Wilderness GL Interiors

Even in the roughest conditions who says you have to rough it. The Wilderness GL has everything you'll ever need to make spending time outdoors a walk in the park. Sleek, durable, fiberglass exterior. Expansive, plush, accommodating interior. From its deluxe graphics to spacious living areas, Wilderness GL delivers quality unsurpassed in any travel trailer or fifth wheel. Flush floor slide-out floor plans give you even greater room to relax. Generous countertops, solid wood-grain cabinetry, porcelain sinks, deluxe window treatments, the list goes on and on. And you'll want to as well, when you hit the road in the best Fleetwood has to offer.

1 *The Wilderness GL interior is a sight to behold—floor plans with **flush floor slide-outs**, **raised panel**, **solid-wood cabinet doors** finished in your choice of **deluxe fabrics**, **Flexsteel[™] furniture** and **custom window treatments**.*

IMPORTANT—PLEASE READ: Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.fleetwoodrv.com or contact your local Fleetwood dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Fleetwood has designed its recreational vehicles to provide a variety of uses for its customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e. occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle's capacities are not exceeded.

Fleetwood RV—We Make Dreams Come True

For over 50 years, we at Fleetwood have understood that people love the freedom and independence an RV provides. As a pioneer in the RV industry, Fleetwood is synonymous with outdoor recreation, and over the last half-century, we've grown to become the largest manufacturer of recreational vehicles in the world. This growth was inspired by the simple credo of Fleetwood's founder—to build great value into practical products that work hard for the consumer—a philosophy fully embraced by every Fleetwood associate to this day.

Go to any campground, state park or auto race and chances are that there will be more Fleetwood RVs present than units from any other manufacturer. Over two million vacations a year are taken in Fleetwood RVs, vacations that represent the dreams of RV owners. That's a great number of dreams to live up to. Yet, year after year, Fleetwood comes through.

That's why we remain the number one RV manufacturer in the world—we make the dreams of our customers come true.
