THE FIRST NAME IN **CAMPING**

Every day is an adventure with Coleman, especially when you ramp up the fun with an outing in the Lantern SUT. Part toy hauler, part travel trailer, this model packs garage space for the toys, a HappiJac power bed for the guests and a private bedroom for the two leaders in the pack. Plus, the flush-floor cargo area doesn't sacrifice space to bulky wheel wells. At Coleman, we believe in practical design.

FLEXIBLE INDOORS

With an interior height of 82 inches, 2,500-lb rated tie-downs, flat floor cargo area, and a Happi-Jac power bed, the Coleman Lantern SUT models give you the flexibility you need for your active lifestyle.
