

DUTCHMEN® CONSTRUCTION ADVANTAGE

We put a great amount of thought into every RV we design and build. From strong frames, to sturdy walls and insulation, we build every RV to take you on many adventures to come.

Durable Roof Structure

- 1 TPO Roof
- 2 3/8" Decking
- 3 Fiberglass Insulation
- 4 Luan Interior Panel

Blade Air Flow System

This design reduces air turbulence and noise accelerating airflow with duct elbows and wyes that feature enlarged inlets and narrow as they push cooled air from the AC through the length of the ducting.

Insulated Structure

- 1 Metal Exterior Panel
- 2 Wood Frame with R7 Thermal Insulation
- 3 Luan Interior Panel

MORE STANDARD FEATURES MORE VALUE

Everything we put into our innovative floor plans are designed to maximize storage and comfort. We don't stop there, to ensure peace of mind after the purchase we have the industry's best RV warranty, 100% pre-delivery inspection, and the leader in parts and service. While other manufacturers offer features as options, we prefer to make those same features standard.

We've built a reputation for bringing RV owners more standard features for less money for over 25 years, and it's a reputation we plan to keep.

100% PRE-DELIVERY INSPECTION

At Dutchmen, quality is standard. Every single Dutchmen RV that comes off the line receives its own pre-delivery inspection. Every unit undergoes a thorough 253-point check to ensure accurate measurements, fully-functional electronics and components.

THE INDUSTRY'S BEST RV WARRANTY

With this industry-best warranty, we take the guessing game out of what is and isn't covered. So, that means you don't have to wrangle over the details, because we deliver value by clearly outlining the major components we back during the first three years.

THE LEADER IN PARTS AND SERVICE

Replacement parts. Routine checkups. Expert advice. You name it and we've got it covered. When only the best RV services will suffice, our industry-leading parts and service department is ready to help you get back on the road - and stay there longer than ever before.

Length is defined as the distance from the centerline of hitch pin/coupler to rear bumper of trailer. **Our weights represent how most units are built, inclusive of many commonly-ordered options. ***Fresh water capacity includes water heater capacity.

DISCLAIMER: Product information is as accurate as possible as of the date of brochure publication. All features, floor plans and specifications in this brochure are subject to change without notice. Please consult Dutchmen's website at www.Dutchmen.com for current product information and specifications. Tow Vehicle Disclaimer. CAUTION: Owners of Dutchmen recreational vehicles are solely responsible for the selection and proper use of tow vehicles. All customers should consult with a motor vehicle manufacturer or their dealer concerning the purchase and use of suitable tow vehicles for Dutchmen products. Dutchmen disclaims any liability or damages suffered as a result of the selection, operation, use or misuse of a tow vehicle. DUTCHMEN'S LIMITED WARRANTY DOES NOT COVER DAMAGE TO THE RECREATIONAL VEHICLE OR THE TOW VEHICLE AS A RESULT OF THE SELECTION, OPERATION, USE OR MISUSE OF THE TOW VEHICLE.
