PALOMINO BASECAMP

TENT CAMPERS

Palomino tent campers have your comfort in mind. The standard indoor/outdoor cooktop gives you flexible cooking options while the 19 gallon fresh water tank gives you plenty of water for drinking or cleanup. And even if the temperature drops at night, the 20,000 BTU furnace will keep you comfortable and warm.

DESIGNED TO MOVE [YOU][®]

Construction matters. Each Palomino tent camper comes with a one-piece Filon fiberglass roof, which keeps the rain out, and is pre-framed for the optional roof air conditioner. The upgraded 5-piece sectionalized tenting makes repairing a section of the screen easier than replacing the entire camper's screens.

ADDITIONAL BUMPER STORAGE FOR EASY ACCESSIBILITY STANDARD ON ALL FLOORPLANS

TENT CAMPERS

Practical and comfortable. Sleep should be peaceful, even on the colder nights. The Palomino bunks have large, comfortable Serta mattresses and thermo-foil bed ends to keep the heat in and the cold out. The dinette cushions are reversible so any food or drink spills can be easily cleaned off the reverse, vinyl side.

PALOMINO BASECAMP

ORV TENT CAMPERS

All our ORV campers come with a smooth pearl exterior and is finished off with the tough LineX® rock guard and powder-coated front deck with ramp / rail system. This keeps your camper clean and durable for years to come. Matched with 15" off road tires and scissor-style B.A.L. jacks, you can set up camp off the beaten path.

- SCREEN ROOM

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.
