

# Lead the Way

The 2020 Admiral gives luxury a whole new meaning. Across five versatile floorplans, you'll find premium features, modern décors, and impeccable styling. In just the kitchen alone, cabinetry is enhanced by frosted glass doors, a glass cover completes the range for more cooking space, and under cabinet lighting creates a relaxed atmosphere in the evening. The Admiral also features an accent wall so you can add that personalized touch, an Illumaplex system for whole coach control, and a Hide-A-Loft<sup>™</sup> drop-down queen bed.

The Admiral also brings all-new updated technology, furniture, and appliances, including an Insignia residential refrigerator and WiFiRanger<sup>™</sup> that will boost your WiFi connectivity. Then, there's the Bluetooth<sup>®</sup> stereo in the bedroom and an optional washer and dryer.

Outside, the Admiral features beautiful exterior graphics with optional partial paint that's complemented by frameless windows. Here, you'll also find pass-through storage for all your gear, plus a 50" TV and exterior shower for more time under the sun. And no matter how you travel, you're accompanied by the Bilstein® Steering Stabilizer System and solid construction.

### THE ADMIRAL CHASSIS

The Admiral chassis puts strength, stability, and reliability front and center. Perfect for trips requiring large carrying capacities, and built to store everything you need with pass-through storage. The Admiral is built on the ideal chassis for optimum balance and control on Holiday Rambler gas motorhomes.

Chassis Warranty provided by Ford®

### ADMIRAL FLOORPLANS

With the 2020 Admiral's, you'll also find new modern decor packages and styling options, as well as floorplan-specific features like stackable washer/dryer prep (35R), and even an exterior kitchenette on the 29M and 34J. The bunk bed area has added functional stylized barn doors in the 34J floorplan.

There's plenty of room and storage to bring along all your favorite comforts of home. Thanks to well thought-out floorplans with our long list of standards and additional upgradeable features, there's more standards now than ever to make you feel right at home with functional living space.

The 32S has two full lavy areas, all the floorplans boast generous master bedrooms and wardrobe areas. The 35R boasts a large 50" LED TV and standard theatre seating for a roomy entertaining area or enough space for a rainy day in on a long trip making you a total envy at the campground.

So, take your pick from five spacious floorplans, load-up and hit the road.

### DISCLAIMER

- 1. GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motorhome. The GVWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus the (OCCC) occupant cargo-carrying capacity\*
- 2. GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.
- 3. GCWR (Gross Combined Weight Rating) is the value specified by the motorhome manufacturer as the maximum allowable loaded weight of this motorhome with its towed vehicle. Towing and braking capacities may be different. Refer to Holiday Rambler and chassis manufacturer's manuals for complete information.
- 4. Length measured from front bumper to rear bumper (excludes accessories).
- 5. Excludes safety equipment and awnings.
- 6. Motorhomes feature a body width over 96" which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.
- 7. Tank manufacturer's listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.
- <sup>+</sup> The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.
- \* UVW and OCCC are found on the label containing the federal certification tag in each RV.
- <sup>++</sup> The Minimum Towable Load of this vehicle is the available weight capacity, up to GCWR, when the coach is fully loaded to maximum GVWR. However, if the coach is loaded to something less than maximum GVWR, that extra available weight capacity can be added to your Towable Load. For example, if your coach is loaded to 1000lbs less than maximum GVWR, your Towable Load increases accordingly. Do not exceed the hitch rating weight, GVWR or GCWR.
- \*\* Seatbelts and locations are shown in the brochure for display purposes only. Actual numbers and locations will vary by model.
- \*\*\* All 2020 REV Recreation Group motorhomes include a limited one-year/15,000-mile coach warranty and three-year/45,000-mile structural warranty, whichever occurs first, and is fully transferable for the first 12 months.

### AUTO GENERATOR START
