

REFLECTION

FIFTH WHEELS & TRAVEL TRAILERS

GRAND DESIGN
RECREATIONAL VEHICLES

ARCTIC 4-SEASONS PROTECTION PACKAGE

Note: Testing was performed in a temperature controlled chamber, with temperatures ranging from 0°F to +100°F, and does not account for variables such as wind, humidity, and altitude. Due to the number of potential variables, temperatures reported during testing may differ from temperatures achieved during actual use of the unit in nature.

Reflection's design has been put to the test in extreme temperatures ranging from ZERO to 100+ degrees. Third party extreme cold testing showed that the Reflection remained functional and achieved very comfortable temperatures.

MAXIMUM HEATING POWER

A high performance furnace and fireplace combine to deliver 35,000 BTU's or more of heating power.†

† (Model Specific)

MAXIMUM FUNCTION

- Heated Holding Tanks and Enclosed Low Point Drains
- Heated Utility Center & Storage Bay
- Dual Attic Vents
- Enclosed Gate Valves
- Thermostatically Controlled 12V Tank Heaters

CONTROL IN THE PALM OF YOUR HAND.

CONTROL YOUR RV

Control lighting, slide-outs, leveling and awnings from the palm of your hand

STAY INFORMED

Receive custom notifications such as maintenance reminders and tips on your RV

INSIGHT CAMERA

HIGHLIGHTED FEATURES

AXISTEP Rotating stairs helps keep out pesky leaves and other debris from dirtying your RV.

Most competing brands with "flip-up steps" do not have a solution for being able to access the inside of your RV when parked in tight spaces.

BEFORE

AXISTEP doesn't have this problem. The stairs can easily be detached to allow inside access while stored in compact areas.

AFTER

MORRYDE CRE3000 SUSPENSION SYSTEM

Smoother towing, improved towability and better protection from damaging road shock

WINEGARD 360+ ANTENNA W/WIFI PREP

All-in-one solution for your Internet, TV, and FM signal needs!

Because of our commitment to continuous product improvement, Grand Design Recreational Vehicles reserves the right to change components, standards, options, specifications, and materials without notice and at any time. Photos may show optional equipment which may not be included in the standard purchase price of the featured unit. Be sure to review current product details with your local dealer before purchasing. WE STRIVE FOR NOTHING LESS THAN CUSTOMERS FOR LIFE!

Thank you for taking the time to tour our coach.

We would like to share ts Grand Design RV apart from all other RV manufacturers and why this difference is important to you.

My close friends and I were part of an ownership team at a travel trailer, fifth wheel company that grew to become one of the largest RV manufacturers in the world. While proud of this accomplishment, it became difficult to stay in touch with customers, employees, and ultimately the quality of the final product. It became obvious, there was a better way.

In 2012 we started with a mission to build a better RV company. A company with a culture that desires a long-term, personal connection with customers, employees and dealers – that company became Grand Design RV. Our business model of doing the right thing has led us to many years of unparalleled growth.

At Grand Design we are customer centered and everything we do daily revolves around you. Our goal is simple – continue to lead the industry with quality, innovative products while striving to improve our customers' RV experience before, during and after their purchase. We strive for nothing less than customers for life and I would be honored to personally welcome you to the Grand Design family.

Warmest Regards,

President / CEO / Co-Founder

AWARD WINNER IN ALL 3 CATEGORIES!

TRAVEL TRAILERS

FIFTH WHEELS

TOY HAULERS

LONG TERM VALUE

Everything we do at our company is designed to build long-term value in what we offer our customers, "More features and superior value for your dollar."

CUSTOMER CENTERED

Our focus, from the very first day we opened our doors, revolves around our customers. Your satisfaction is our future. GDRV4Life!

STAYING CONNECTED

Magic happens when the CEO and Senior Management actively work with the production facilities to help build the team and develop products.

EXPERIENCED WORKFORCE

Our local workforce has been hand-picked and has an excellent reputation for second-to-none industry craftsmanship.

RAISING THE QUALITY BAR

We put every Grand Design RV through a series of quality inspection gates during the manufacturing process. Once completed, the unit undergoes a comprehensive "final finish" inspection. At this point, most manufacturers ship their coaches to the dealer for retail sale. We aren't most manufacturers. Every one of our coaches is moved to a PDI (Pre-Delivery Inspection) area where they are put through a rigorous 300+ point inspection checklist. It is only after this PDI that we certify a unit ready to ship to our dealers.

SUPERIOR SERVICE

Anything built by humans that travels down the open road is subject to issues. It's how those issues are addressed that makes Grand Design so special to our owners. Visit the independent owners page on Facebook (Grand Design RV Owners) and see for yourself. We take care of our customers after the sale. An informed customer will be a Grand Design customer!

CLASS LEADING WARRANTY

We back every one of our coaches with a 3-year limited structural warranty.
