2007 EAGLE Travel Trailers and Fifth Wheels

AMERICA'S MOST LIVEABLE RVs.

AMERICA'S MOST **LIVEABLE** RVs.

"Liveable" may mean what you see, what you feel or even what you trust about a Jayco. But one thing is for certain, "liveable" is the reason why more people across North America are making Jayco their choice in RVs.

EAGLE™

The Enthusiast's RV.

Invisible Liveables.

You know what you like...and this is it! Structural steel, welded aluminum and our TuffShell™ vacuum-bonded sidewalls, tell you this RV is built to last.

- 1 (Left) End view of Jayco's I-Class™ structural steel chassis frame made of 10" heavy-gauge formed steel. (Right) End view of the welded I-beam frame used by many competitors that is subject to warping.
- 2 Jake Plate™ adjustable axle hanger plates allow you to adjust the height of your fifth wheel up to 2 inches for more level towing.
- 3 EZ Lube® axles with removable caps make maintenance a snap.
- 4 Lightweight welded tubular-aluminum sidewall framework
- 5 Jayco's V-Tec™ flush-floor slideout systems increase your living space with the push of a button and use only 10 amps of electricity.
- 6 All models come equipped with an outside shower, making it a breeze to rinse off after fishing or hiking which helps keep the inside of your Eagle clean.
- 7 Large, lockable storage compartments keep bulky outdoor equipment close at hand but out of sight, and keep your living space clutter-free. The pass-through design permits access from either side and the front trunk on the fifth wheel allows easy access for otherwise hard-to-reach items.
- 8 FRP smooth fiberglass sidewalls provide a low maintenance and abrasion resistant surface
- 9 1/8" Iuan board
- 10 Bead-foam insulation in sidewalls (R-9 in FW, R-7 in TT)
- 11 Seamless one-piece rubber roof with 12-yr. warranty
- 12 Roof rafters, constructed of residential-style tapered 4 1/2" trusses allow for greater water run-off
- 13 2" x 3" longitudinal floor studs placed on 16" centers (FW) Unitized, 1 1/2" laminated construction of floor (TT)
- 14 5/8" tongue and groove plywood floor decking (FW)
- 15 Carpet pad provides enhanced durability and comfort
- 16 Attractive, easy-care carpet
- 17 The standard diamond-plate front panel adds protection and an impressive element to your Eagle travel trailer's exterior.
- 18 The Eagle travel trailer's sturdy gas bottle cover, made of molded ABS, offers protection from road debris.
- 19 Carefree® patio awning
- 20 Electro Galvanized (EGS) metal backing strips
- 21 R-7 fiberglass insulation in FW floor and TT roof, R-11 fiberglass insulation in FW roof, R-9 bead foam insulation in TT floor
- 22 Insulated, foam air conditioning ducts for improved air flow and cooling
- 23 Enclosed, insulated (R-7 FW, R-9 TT) and heated underbelly with PolyFlex™ one-piece moisture barrier covering greatly reduces drag for better fuel economy and protects from grime and road debris
- 24 Tinted safety glass windows
- 25 TuffShell™ vacuum-bond laminated sidewalls offer durable and lighter weight construction
- 26 Electric-powered front jacks and snap jacks come standard on all Eagle fifth wheels.
- 27 3/8" plywood roof decking
- 28 Longer-lasting galvanized steel wheel wells
- 29 Aerodynamic fiberglass endcap is reinforced and dent resistant (FW).

Incredible Liveables.

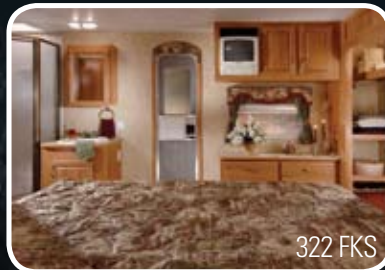

An Eagle™ gives you front row seats to nature's most spectacular shows while providing the conveniences of home. Relax underneath the Carefree® patio awning and enjoy the security of our Big Easy™ triple entrance steps and outdoor lighting.

AMERICA'S MOST LIVEABLE RVs.

Incomparable Liveables.

There's nothing quite like the spacious elegance inside an Eagle. All models feature at least one slideout for added living area, high ceilings, and detailed moldings. Additional natural light is provided by transom windows in all fifth wheels.

EAGLE™

The Enthusiast's RV.

The Customer Value Package includes a home theater system with Dolby® Digital 5.1 Surround Sound and DVD/CD player.

Raised panel cabinetry, accented by antique brass pulls, provides a warm and traditional look throughout the interior.

Manchester Oak cabinets offer a place for all your kitchen essentials — we even include a built-in knife rack. You'll also appreciate the 8 cu. ft. double-door refrigerator and oversized oven.

Desirable Liveables.

Reflect your personal style with one of the Eagle's three nature-inspired color schemes. The coordinating fabrics and finishes, plus little extras like the vanity, add a pampering touch. Eagle, the experienced RVer's choice.

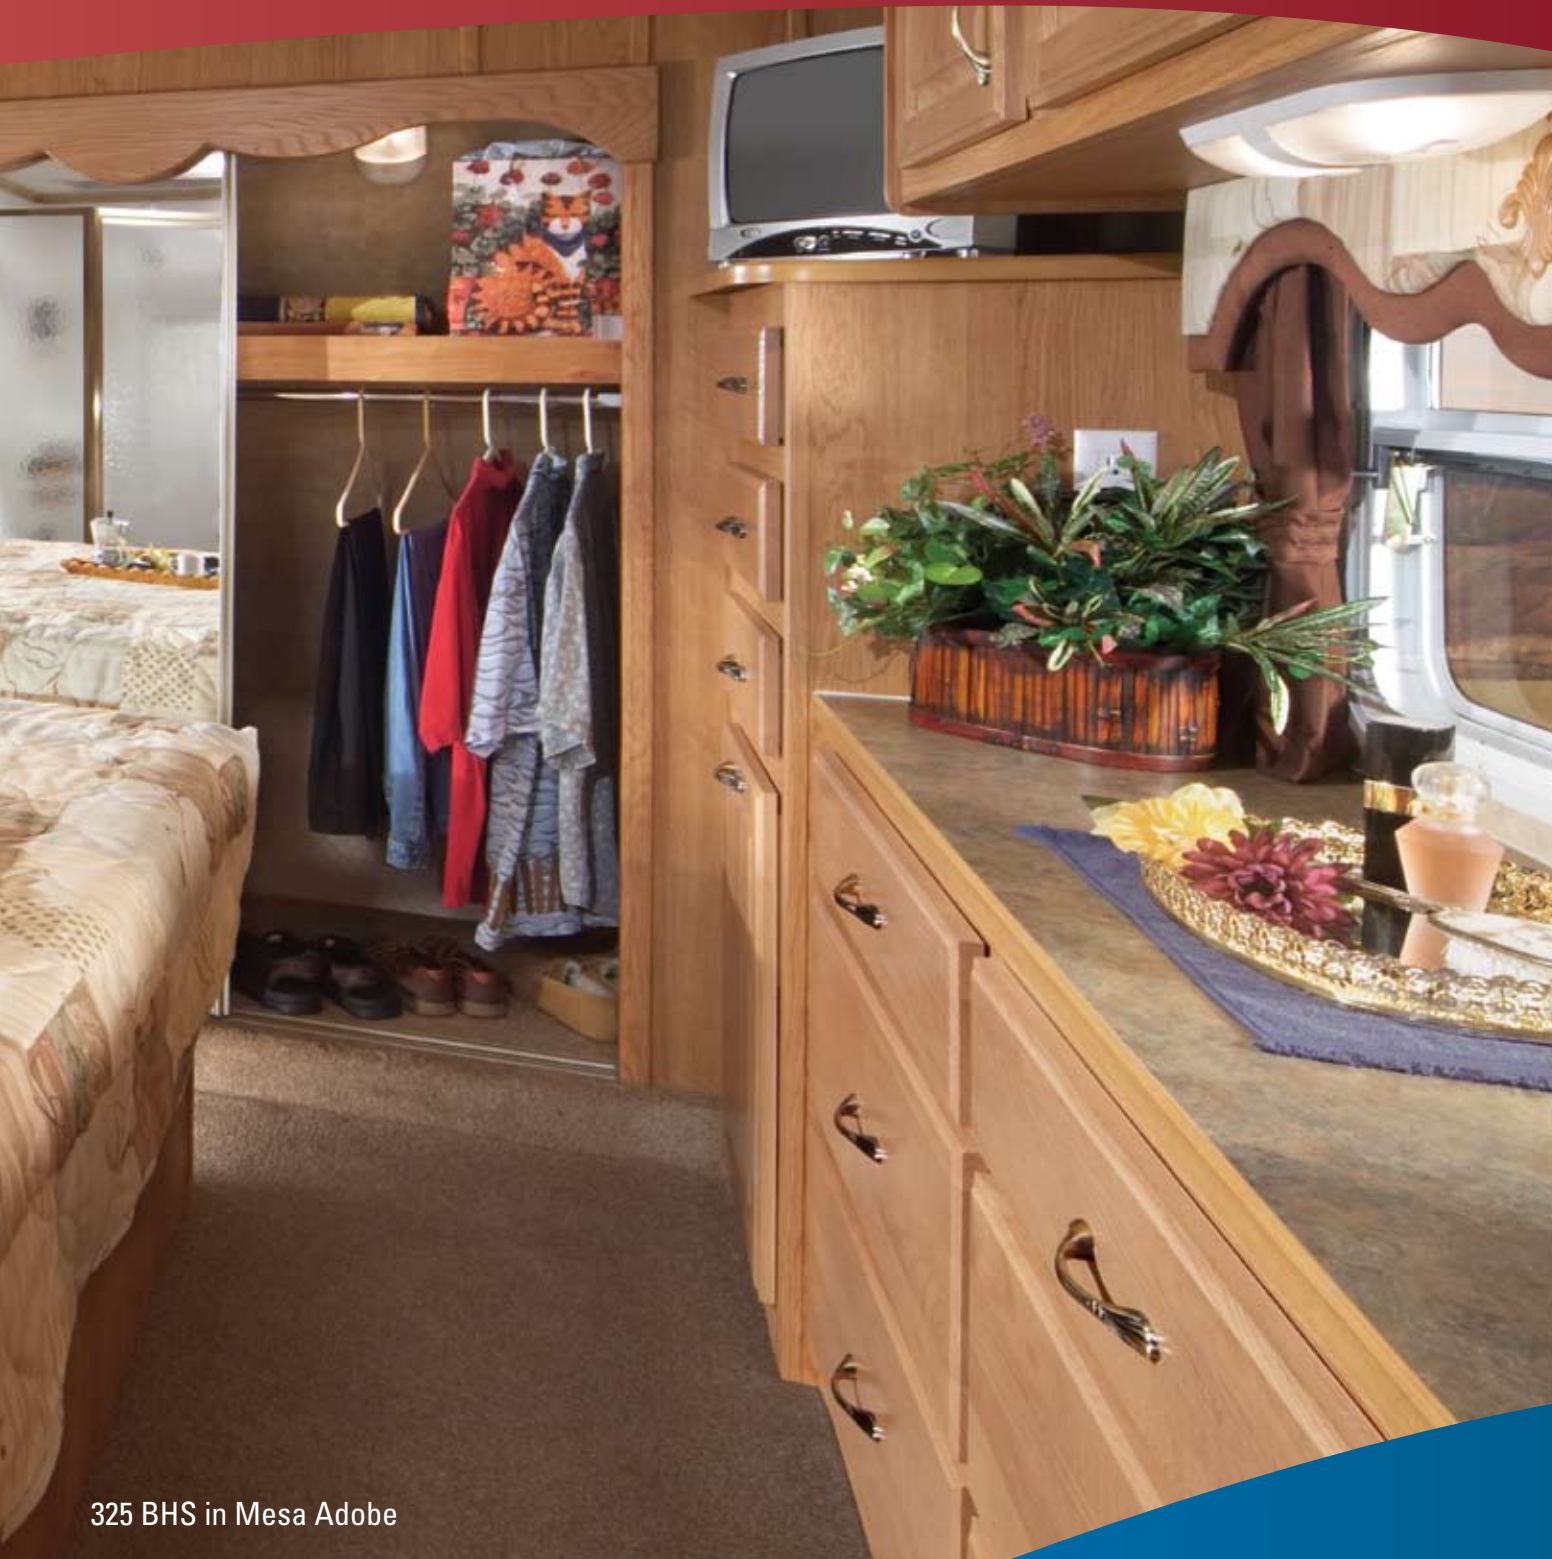

EAGLE™
The Enthusiast's RV.

Feel right at home in this residential-style bathroom, complete with a one-piece tub/shower surround, mirrored wood medicine cabinet, and foot-flush toilet. A skylight is included in the Customer Value Package.

Fabric-covered box valances and pleated night shades combine for attractive and practical window treatments.

We Back What We Build.

The Jayco Co-Pilot Warranty is a manufacturer's limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. In addition, our limited warranty may be transferred one time within the warranty period. Go ahead and compare the Jayco warranty with other manufacturers' warranties. You'll find it's the best in the business!

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer or visit our website at www.jayco.com.
