100% PRE-DELIVERY INSPECTION

At Dutchmen, quality is our standard. Every single Dutchmen RV that comes off the line receives its own pre-delivery inspection. Typically, a competitor performs random inspections, meaning you won't find this commitment to quality anywhere else.

THE INDUSTRY'S BEST RV WARRANTY

With this industry-best warranty, we take the guessing game out of what is and isn't covered. So, that means you don't have to wrangle over the details, because we deliver value by clearly outlining the major components we back during the first three years.

THE LEADER IN PARTS AND SERVICE

Replacement parts. Routine checkups. Expert advice. You name it and we've got it covered. When only the best RV services will suffice, our industry-leading parts and service department is ready to help you get back on the road—and stay there longer than ever before.
