

29HR WITH GRANITE INTERIOR

29BHU WITH HICKORY INTERIOR

AUTUMN RIDGE

A TOP CHOICE FOR
VALUE AND VERSATILITY.

Year after year, Autumn Ridge is our most popular travel trailer with 12 versatile floorplans. Whichever you choose, you'll enjoy upscale comfort and style along with the convenience of our exclusive StarMAXX™ Pass-Thru storage system.

A Autumn Ridge offers two toy hauler models, each with 13' or more of cargo room, a ramp door, convenient fold-up sofas and in-floor tie-downs. Whether you're taking along an ATV or other large gear, we've got you covered.

B When not hauling your gear, the 29HR lets you utilize your cargo space with comfortable fold-down sofas and a removable table. Entertainment highlights include an optional large LED TV and a multi-media sound system with Bluetooth.

C The contemporary, well-appointed kitchen features a three-burner stove with lighted range hood, a microwave, a flush-mounted refrigerator and a large sink with residential-style high-rise faucet.

TWO-YEAR WARRANTY

At Starcraft we are proud to back our RVs with a two-year manufacturer's limited warranty. For a copy of the two-year limited warranty with full terms and conditions, ask your local Starcraft RV dealer.

STARCRAFT

Unloaded Vehicle Weight (UVW): Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories. **Gross Vehicle Weight Rating (GVWR):** GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC. **Cargo Carrying Capacity (CCC):** CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC. **Hitch Weight (HW):** The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight. It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle before heading out on the roadways. When you tow an RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Starcraft affixes a weight label to each RV which lists weight information for that vehicle. See specifications chart on the respective pages of this brochure.
